SYNOPSIS

This ordinance appropriates proceeds from investment of Fire Station Construction Fund cash for the purchase of radio equipment, pump equipment, and new station furniture. It also appropriates funds in the Law Enforcement Continuing Education Fund for the purpose of sending a police officer to the University of Louisville's Administrative Officers Course. The LECEF was created this year under new state legislation and is funded by a $3.00 charge collected when a defendant is in violation of a statute or a local ordinance.
