
Geographic Information System
This map was produced by the City of Bloomington GIS, for use by the City Planning Department and General Public as the Bloomington Zoning Map. The roads and building footprint information is based on aerial photography taken in March 1991 and March 1992, and later updated by City GIS technicians. The zoning boundaries are based on the City of Bloomington Zoning Ordinance. All information on this map represents GIS map features as of May 5, 1995.
