Geographic Information System
This map was produced by the City of Bloomington GIS, for use by the City Planning Department and General Public as the Bloomington Zoning Map. The roads, parking, buildings, and hydrology information is based on aerial photography taken in 2006, and later updated by City GIS technicians. The zoning boundaries are based on the City of Bloomington Unified Development Ordinance, effective February 12, 2007. Please contact the Planning Department for all planning and zoning related inquiries.
