This resolution authorizes a three month extension, through March 31, 2001, of the interlocal cooperation agreement which the City and County executed in 1996 to provide: for the City to retain planning and zoning jurisdiction of certain portions of the former two-mile fringe; for the County to take back planning and zoning jurisdiction of certain other portions of the former two-mile fringe; for the County to commence processing building permits throughout the County; and, for numerous details of cooperation between the parties to efficiently execute the Agreement. The parties anticipate executing a renewal Agreement for a term of years on or before March 31, 2001, but have been unable to resolve all difference prior to expiration of the current Agreement on December 31, 2001.
