SYNOPSIS

This ordinance amends Ordinance 97-30 which fixed the salaries for officers and employees of the City for 1998. This amendment reflects an upgrade to an existing position in the Utility Service Department to better align the grade with current duties and responsibilities, as well as departmental peers. *Note: There were two amendments to this ordinance which: deleted references to the T&D position; added references to the Programmer and Computer Operator; and, changed the subtitle.*
