SYNOPSIS

This ordinance appropriates the balance of funds in the Parks Non-Reverting Capital (Cascades Golf Course) Fund. Historically, this fund has been used to account for revenues received from golf course concessions and fees. With the restructuring and reorganization of the Golf Course, future revenues will be deposited directly in the Park General Fund, and this fund will be closed out by the end of 1994. The requested appropriation will be used to develop a risk management and development plan at the Golf Course, new golf cart paths and certain capital improvements for the clubhouse.
