SYNOPSIS OF RATIONALE FOR ORDINANCE 76-___

The appropriation of $15,000 from the General Fund to line 26 of the Board of Works budget is necessary to the funding of the Space Needs Study to be contracted for jointly by the City of Bloomington and the County of Monroe.

The $15,000 comes originally from State Revenue Sharing and was appropriated for the Space Needs Study last year. At the year's close, it reverted to the General Fund because a contract had not been let. It must, then, be reappropriated.
