If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion.

Each of these appropriations funds a mandatory expense, one necessary if the department is to continue its business -- which is in both cases revenue producing.

If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible. (Continue on second sheet if necessary)
