Citizens' Academy Class of 2015

The HAND Department developed the Citizens' Academy in 1999 to encourage civic involvement. Through sessions with City Departments, participants learn about the challenges of city government, budget limitations, day-to-day operations and mandates in this fun and educational 9-week program.

"My participation in the Bloomington Citizens Academy has provided the background I need to further my interests and involvement in being an engaged and active citizen. Every Bloomington citizen should have this fabulous opportunity."

Susan Savastuk - Class of 2015

If you are a City resident or student interested in civic participation or learning more about local government operations or how your tax dollars are spent, we encourage you to apply!
