

ADDENDUM #2

Cascades Trail Phase 1: Clubhouse Drive to Stone Mill Road City of Bloomington, Indiana

Date of Addendum: September 20, 2011

Date of Bid Opening: September 21, 2011

Issued on Behalf of: City of Bloomington

Prepared by: Eagle Ridge Civil Engineering Services, LLC
1321 Laurel Oak Drive, Avon, IN 46123
Phone: (317) 370-9672
Email: bridgeway@eagleridgecivil.com

To all bidders on the project:

All bidders submitting a Bid on the above project shall carefully read this Addendum and give it consideration in the preparation of their Bid.

1. ADDITIONAL INFORMATION AND REVISIONS TO REQUIREMENTS

A. Cost for Duke Energy to De-Energize their Lines in the Vicinity of the New Pedestrian Bridge

Duke Energy has quoted the price to de-energize their lines during the installation of the pedestrian bridge at \$6,861.00. This price is to be considered all-inclusive of their costs to include the work to de-energize the line, to have an inspector on-site during the bridge installation, and related tasks.

All Bidders shall use this number in the preparation of their bid as they deem appropriate. Any costs beyond this amount that are charged by Duke will be addressed in a properly documented change order, if applicable. Such an overrun will not be subject to a markup but will instead be calculated as a direct, reimbursable cost.

2. Any revisions to any of the Contract Documents made by this Addendum shall be considered as the same revision to any and all related areas of the Contract Documents not specifically called out in this Addendum.
3. The Bidder shall acknowledge receipt of this Addendum by inserting the date and number in the space provided on BIDDER'S PROPOSAL.

END OF ADDENDUM
