# **CHILDREN'S HEALTH & SAFETY FUN! FAIR**

The health and safety of our children is foremost in the minds of most parents today. So, why not learn about health and safety with the entire family at an entertaining fair? We welcome you to participate in our 6th annual Health & Safety FUN! Fair where, as a participant, you have the opportunity to reach over 500 attendees.

The Kiwanis Health & Safety FUN! Fair was created by your local South Central Indiana Kiwanis Club to promote the well-being of our children. Since Kiwanis is a not-for-profit organization, the principal goal of the fair is to disseminate pertinent health and safety-related issues to children and their families while providing a FUN atmosphere.

Local businesses are eager to participate in our fair due to the large crowd turnout and the low booth fees. Unlike fairs or conventions that charge hundreds of dollars for booth space, the Kiwanis organization provides you with space for a minimal fee of only \$50.00 (vendors). Primary funding for the fair is provided by our generous sponsors and donors who are equally as concerned as we are about the welfare of our children.

Please call or email us for more information or to reserve your booth space.
