

BDU / Technology Infrastructure Advisory Committee

Meeting Date: Feb 2, 2012, 4PM

Location: Bloomington City Hall McCloskey Room

Board Attendance: Mark McMath, Dennis Cromwell (for Mike Lucas), Mike Trotzke, D. Mike Alan

Staff Attendance: Rick Dietz, Rick Routon

Guest Attendance: None

Dennis Cromwell reported that IU is working with the Daniels' Administration on its budget and monitoring discussion about I-Light in the Legislature.

Mark McMath reported that Morgan county hospital is new to the IU Health network and the progress is being made on all electronic ordering.

CTP Update from Danise email:

RDC approved a contract last week with MSI/KKG to be the lead consulting firm to develop the CTP Master Plan and Redevelopment Strategy. Kick off starts later this month. Planning will last throughout 2012.

Project Phases:

One: *Reconnaissance*: Data Collection, Stakeholder Interviews and Focus Groups, Existing Conditions Analysis (January – May 2012)

Two: *Plan Development*: Opportunities/Constraints Summary, Draft Development Concepts, Charrette, Public Open House (May – August 2012)

Three: *Implementation Plan*: Implementation Strategy, Infrastructure Plan and Master Plan, Funding and Financing Strategy, Marketing & Leasing Strategy, Real Estate/Investor Roundtables, Public Open House (August – December 2012)

The full consultant team is:
