Will the legislation have a major impact on existing City appropriations, fiscal liability or revenues? Yes \_\_\_\_\_ No XXX

If the legislation will not have a major fiscal impact, explain briefly the reason for your conclusion. The site is not in the City. Annexation is anticipated since it is contiguous and will be served. Upon annexation and completion, significant property tax revenues as well as service costs will accrue to the City. All capital costs are to be borne by the developer.

If the legislation will have a major fiscal impact, explain briefly what the effect on City costs and revenues will be and include factors which could lead to significant additional expenditures in the future. Be as specific as possible. (Continue on second sheet if necessary)
