

Green Acres Neighborhood Association
Mission Statement

Green Acres aims to become a sustainable community that embraces neighborliness and forges partnerships within and beyond its borders.

Green Acres is situated between Union St. to the west, the 46 Bypass to the east, 10th St. to the north, and 3rd St. to the south. It is located within walking and biking distance of numerous restaurants, shops, churches, schools, the Indiana University campus, College Mall, and the Kerasotes Showplace 11. It is within one mile of Bloomingfood's, Kroger, Marsh, and O'Malias as well as specialty grocers like Saraga, Sahara Mart, the Olive Market, the 10th St. Market, and Obo's. Our neighborhood association is active, and we welcome you to make Green Acres your home, too!
