Authorization to Release Information

Dear Sir or Madam:

We are working with the City of Bloomington's Housing and Neighborhood Development, Bloomington, Indiana, (a HUD certified counseling agency) on a plan to resolve our mortgage delinquency. We hereby authorize you to release any and all information concerning our account to the Housing and Neighborhood Development Department at their request.

We further authorize you to discuss our case with Marilyn Patterson, Doris Sims, or Kerry Slough. They are working to help us address our financial problems and to propose a loss mitigation plan which is within your guidelines.

You may release additional information to the Housing and Neighborhood Development Department in the future without further authorization.

Thank you for taking the time to deal with this request.

Regards,
