SITE PLAN REQUIREMENTS

In order to receive a sandwich board sign permit, the applicant shall submit a site plan containing the following elements:

1. Scale and North arrow
2. Location of sign
3. Width of sidewalk
4. Distance between building and sign location
5. Distance between curb edge and sign location.

CERTIFICATION

I am the owner or authorized agent responsible for compliance, and hereby acknowledge the following:

1. I have read this application and all related documentation and I represent that the information furnished is correct.
2. I agree to comply with all City ordinances and State statutes which regulate construction, land use, and occupancy.
3. Any changes made to sign dimensions or location shall be submitted to the City of Bloomington for review.
4. If any misrepresentation is made in this application, the City may revoke any Permit or Certificate issued based upon this misinformation.
5. No sign installation is allowed until a permit has been issued from the Planning and Transportation Department.
