- We are willing to add additional days of service.

OPPORTUNITIES

• Projects, volunteer opportunities or events that would benefit from Community Partnerships:

Volunteer Internship

Semesters: Fall (Aug-Dec) / Spring (Jan-May) **Required?** Optional

Students Participating: 8 to 12 **Students participate:** Individually

How is Volunteering/Service Learning associated with this program/event?

Students commit to a semester and volunteer a minimum of 8 hrs/wk. Student administrative tasks reflect their field of business study such as marketing, accounting, database creation and maintenance, etc.

Other Goals

Interns are knowledgeable in their subject, but they require some training and periodic feedback. Many interns choose to continue volunteering more than one semester, and they gain even more knowledge and contribute more with continued service.

Semester Volunteer

Semesters: Fall (Aug-Dec) / Spring (Jan-May) / Summer (May-Aug) **Required?** Optional

Students Participating: any member **Students participate:** Individually

How is Volunteering/Service Learning associated with this program/event?

CLD members contribute 2-10 hours per week doing hands on service for an agency.

Other Goals

Through direct service, to create active citizens who will advocate for their cause. Along with providing the volunteer opportunity, it would be helpful if the agency includes educational information about the mission of the program, and possible ways the student may continue helping on a higher or long term level.

One Time Events

Semesters: Fall (Aug-Dec) / Spring (Jan-May) **Required?** Optional

Students Participating: 5-50 **Students participate:** As a Group **Group size/s:** 5-50

How is Volunteering/Service Learning associated with this program/event?

Throughout the school year, CLD members volunteer together on projects within the community. These can range from house building with Habitat to a holiday party with Boys and Girls Club to garden maintenance with Mother Hubbard's Cupboard. (and many more- we're open to hearing about your needs!)

Other Goals

To expose students to ways to get involved in community service. Including a bit of education about the cause the student is working on helps inspire students to commit more service time to the cause.

New Student Service Day

Semesters: Fall (Aug-Dec)

Required? Optional

Students Participating: 300 **Students participate:** Individually / Group **Group size/s:** 10-40

How is Volunteering/Service Learning associated with this program/event?

The event is built around getting new students connected with local non-profit agencies as one-time volunteers in hopes of building relationships for continued service in the student's new community of Bloomington.

Other Goals

We try to get students connected with service/volunteer interest areas while also connecting students to other students interested in serving the community.

Fall & Spring Service Days

Semesters: Fall (Aug-Dec) / Spring (Jan-May)

Required?: Optional

Students Participating: 250 **Students participate:** Individually / Group **Group size/s:** 10-40

How is Volunteering/Service Learning associated with this program/event?

We would like to connect with local agencies to provide one-time service opportunities for first year students and campus leaders once in the fall semester and once in the spring semester. This new program is designed to continue building relationships between students and local agencies for continued service opportunities.
