BLOOMINGTON, INDIANA**

The Honorable John Hamilton
401 North Morton Street, Ste 210
Bloomington, Indiana 47404

Dear Mr. Hamilton,

My name is Angeline Kiang, and I will be visiting your fair city of Bloomington, Indiana, in two weeks, arriving on Thursday, June 23, from San Jose, California.

I will be attending the Jacobs School of Music's Summer String Academy, studying with Susan Moses on the cello. I am so looking forward to this trip! I will be in Bloomington for a total of four weeks and wanted to contact you because you likely know a lot about your city and Indiana in general.

Some background information on me: I am a rising 7th grader at Valley Christian Junior High School in San Jose, California. I started playing the cello when I was 5 years old. One of my favorite places to play my cello is in the Caroline H. Hume Hall in the San Francisco Conservatory of Music. Just this past February I had the opportunity to play at the Weill Recital Hall in Carnegie Hall in New York. I am writing to you today in hopes of learning more about the city in which I will be spending four weeks this summer.

While I'm in Bloomington, I am interested in exploring your city. What are some of your favorite places to go to in Bloomington? What are your Top 5 restaurants? My mom will be with me and she would like to know if you have any good book recommendations on the city. What else should I do while I am in Bloomington?

I look forward to trying new foods and new adventures while I am in Indiana!

I also look forward to hearing from you.

With thanks for your time,

Angeline Kiang
