Monroe County
2010 Aerial Photography

City of Bloomington, Indiana
Geographic Information System

This map was produced by the City of Bloomington GIS for use by the City and general public as map information. The topographic and planimetric information is based on aerial photography flown in March 1991 and March 1992. Updates from aerial orthophotography took place in April 1998, April 2005, and March 2006. Information is updated by GIS technicians from development drawings, plans, and other sources. The accuracy of information contained in this document is based on National Mapping Standards, however, it is NOT warranted.

The Corporation boundary reflects annexations effective January 1, 2011.

Information and Technology Services Department
1 January 2011

Important Notice:
The positions of underground utilities are shown schematically.
Please call 811 to have all underground utilities located.
