City of Bloomington, Indiana
Geographic Information System
This map was produced by the City of Bloomington GIS for use by the City and general public as map information. The geographic and planimetric information is based on aerial photography from a March 1997 and March 2005. Updates from aerial photography taken since a last flight date of March 2005 are April 2010 information as updated by GIS technicians. From information derived from other sources, the accuracy of information appears to be consistent with the National Map Accuracy Standards of 1:25,000. The Corporation boundary reflects annexation effective January 1, 2018. Information Technology Services Department
