ZONING MAP

This map was produced by the City of Bloomington GIS for use by the City and general public as map information. The topographic and planimetric information is based on aerial photography taken in March 1991 and March 1992 and later updated by GIS technicians. The accuracy of information contained in this document is based on National Mapping Standards, however it is NOT warranted. The Corporation boundary reflects annexations effective March 3, 1998.
