Bloomington/Monroe County Metropolitan Planning Organization

Metropolitan Planning Area (MPA)/Urbanized Area Boundary (UAB) Map

The Urbanized Area Boundary is the geographic area in which the metropolitan planning process must be carried out. It shall at a minimum cover the statistical geographic area which has a population of 50,000 (as determined by the Census Bureau). The Metropolitan Planning Area represents an adjustment or revision to the Urbanized Area Boundary to smooth out geographic irregularities and establish more logical boundary lines, instead of those established by the Census Bureau.
