

Medicare D Annual Enrollment is approaching!

October 15 through December 7 is the one time of year people can join, switch, or drop a Medicare D Prescription Drug plan.

Looking for ways to save some money? You might be paying more than you need to for your prescription insurance. We encourage all Medicare beneficiaries to look at the plans available for 2012 to ensure your plan is still the best for you.

Our volunteers can help you find the best plan at the best price. We provide one-on-one assistance or group sessions to help people sort through Prescription Drug Plans and offer referrals to programs that help with costs.

We will be at the following locations:

- Monroe County Public Library in Bloomington
- Monroe County Public Library in Ellettsville
- Owen County Public Library in Spencer
- Area 10 Agency on Aging in Ellettsville
- Cunot Community Center in Poland
- Showers Building in Bloomington
