

Upcoming Projects:
Intersection of Sare Road and Rogers Road + Southeast Water System Improvements

The City of Bloomington invites you to attend a public open house on the proposed projects to improve the intersection of Sare Road and Rogers Road and construct new water main associated with the Southeast Water System Improvements. The public meeting will be held:

Monday, February 20, 2012
5:30 pm – 6:30 pm
Sherwood Oaks Christian Church, Fireside Room
2700 E. Rogers Road

City staff will show the plans, explain the schedule, and answer questions. The format will be a presentation followed by a question and answer period.

Sare Road and Rogers Road

Replace 4-way stop with modern roundabout including sidewalk, sidepath, curb, storm sewers and landscaping.

Southeast Water System Improvements

Expand capacity of the water treatment plant and provide redundancy of water transmissions mains.
