more entertainment venues	Arts		
Better City support of artists and arts organizations	Arts		
more music venues	Arts		
litter free town	Beautification		
Much less graffiti	Beautification		
improve the current ability of demolition by neglect	Beautification		
stop worrying about how pretty things are	Beautification		

being able to address graffiti	Beautification		
More green space	Beautification	Environment	
due to the student housing highrises downtown, long term maintenance should be priority to keep downtown beautiful	Beautification	Housing	Development
A greener Kirkwood (it bakes in the summer sun, now).	Beautification		
Continued (or more) preservation of green spaces	Beautification		
get rid of so many street lights in neighborhoods annoying and hinders vision	Beautification		
more trees in town and urban gardens	Beautification	Food	
more green space	Beautification		
no litter	Beautification		
Less graffiti	Beautification		
beautify south walnut and college	Beautification		
Downtown beautification - especially south corridor	Beautification		
trees along the bypass	Beautification		
Plants	Beautification	Environment	
Help people take care of the outside of their houses	Beautification	Housing	
More tree canopy within city limits. It'd be nice to have some shade during the summer on Kirkwood.	Beautification		
more trees-drought, storms, construction loss	Beautification	Environment	
should be an ongoing "clean up B-town campaign"	Beautification		
less vacant buildings	Beautification	Development	
more landscaping	Beautification		
Trashy areas	Beautification	Development	
More landscaping along bypass	Beautification		
messy old neighborhoodss	Beautification		
replace and replant trees	Beautification	Environment	
permaculture			
plant evergreen trees along highways to buffer sound	Beautification	Environment	
more variety in trees vs bradford pear	Beautification	Environment	
street litter reduction	Beautification		
cleaner	Beautification		
plant more large trees for the future	Beautification		
clean	Beautification		
there's soooooo much litter	Beautification		
Clean up signage on College and Walnut	Beautification		
more green space	Beautification		
preserve/develop greenspace	Beautification		

maintain green spaces	Beautification		
more green spaces close to downtown	Beautification	Downtown	
better protection of green space	Beautification		
more green space	Beautification		
cleaner streets	Beautification	Transportation	
more trees	Beautification		
clean up old destroyed buildings	Beautification		
green space integration	Beautification		
Trees downtown are getting too large	Beautification		
more greenspace	Beautification		
less graffiti	Beautification		
more greenery and beauty outside campus	Beautification		
more shade on streets	Beautification		
trashy	Beautification		
less litter	Beautification		
Better protection of green space	Beautification		
pollution	Beautification		
protect trees on public routes	Beautification		
to be able to see stars	Beautification		
less trees planted in the streets	Beautification		
lots of graffiti defacing buildings	Beautification		
make use of landscape	Beautification		
increase beauty and utility of vacant lots	Beautification		
more flower gardens	Beautification		
better road clean-up	Beautification		
clean up the trash in the downtown	Beautification		
more tree lined meridians like woodruff place	Beautification		
big parking lots with more shrubs and trees	Beautification	Transportation	
Reduced tuition for Bloomington residents at IU and IVTCC	College		
work with IU to limit student population growth	College		
Win NCAA	College		
winning IU football team	College		
more connection between town and gown	College	Government	
partner with rather than be dominated by I. U.	College	Government	
closer IU connection	College	Government	
more effective productive town-gown collaboration	College	Government	
IU becomes more accessible and more part of the community	College		
more community celebrations to highlight 'community' which must involve those transient students who are clueless of 'community' or 'neighbor'	College		

better integrate the IU students into City life during their time here	College		
More collaboration of IU and Community	College	Government	
greater connection between college and town	College	Government	
too pretentious on campus	College		
improved coexistence between students and non-students	College		
City of Bloomington/IU working together on the IU Master Plan	College	Government	
overly student-oriented	College		
better coordination between city and IU	College	Government	
stop total monopoly of university over all lives	College		
more permanent residents vs. students	College		
town-gown integration IU support town goals	College	Government	
better integration with IU students	College College		
prettier entrances to IU on the west side of campus	College		
students and locals should have more opportunities to interact	College

diversified energy profile	Environment		
More alternative energy use	Environment		
recycling	Environment		
control deer population	Environment		
more solar panels	Environment		
Would like to see more attention to energy efficiency and renewable energy--how will we meet our energy needs in the future?	Environment		
rain preparedness better ducts	Environment		
Clean up & education public about PCBs	Environment		
focus on energy use more and how to generate our own and safe energy	Environment		
more eco-friendly especially in regards to IU and sustainable city	Environment	College	
Clean energy	Environment		
IU goes away from coal	Environment		
more environmentally conscious IU	Environment	College	
more urban forestry	Environment		
add plastic carrier bag tax	Environment		
RECYCLING BINS	Environment		
easier recycling pick-up policy especially for college students	Environment		
clean industrial development including personal services industries	Environment		

solar energy	Environment		
use efficient vehicles	Environment		
Increase city buildings energy efficiency and use of renewable energy use, and increase education and conservation on energy and water usage	Environment		
more emphasis on environment	Environment		
lower energy use	Environment		
green-energy	Environment		
More renewable energy	Environment		
More sustainable/clean energy	Environment		
more sustainable LED streetlights	Environment		
larger recycling bins with weekly pickup	Environment		
Coal	Environment		
need more recycling	Environment		
coal free	Environment		
Coal free	Environment		
community-wide neighborhood compost	Environment		
Get rid of coal plant	Environment		
Carbon-free	Environment		
increased use of renewable energy	Environment		
more recycling bins downtown	Environment		
more green movement	Environment		
conservation of energy	Environment		
City zoning eliminating coal plants, coal combustion storage, and natural gas drilling within the city limits please!!!! For our health and safety, and to protect our fragile water systems	Environment		
establish a firm system for city-wide recycling management	Environment	Government	
less environmentally strident	Environment		
train more permaculturists	Environment		
community renewable energy development	Environment		
community renewable energy development	Environment		
more movement toward energy independence	Environment		
better recycling	Environment		
offer curbside composting	Environment		
offer curbside composting	Environment		
more sustainable energy infrastructure	Environment		
less light pollution	Environment	Beautification	
recycling conveyors	Environment		
Support renewable energy way more	Environment		

Make rain gardens mandatory to slow storm water run-off (while increasing beauty and food for bees/butterflies/birds)	Environment	Beautification	
Forest ring boundary of permaculture economy	Environment	Economy	
Plant more native nut and fruit trees in public and private places	Food		
more community gardens	Food		
food security for everyone	Food		
create edible corridors	Food		
edible landscaping	Food		
Increased local agriculture and accessibility and use of local markets for city people	Food		
needs more neighborhood gardens	Food		
food security policy	Food		
educate, empower, more of the poor to be able to eat healthy local food	Food		
Is too restrictive to food gardening	Food		
Even more local food	Food		
more gardens housetop rooftop gardens	Food		
more urban agriculture - special zoning districts/neighborhoods	Food		
campus farmer's market	Food	College	
urban gardens	Food		
increase urban agriculture	Food		
more local food production	Food		
build greenhouses for year around food production to be used by MCCSC	Food		
more gardens! ALL THE GARDENS!	Food		
urban agriculturist	Food		
more urban agriculture & a larger ag. economy	Food		
more local food production	Food		
focus on core neighborhoods for food production funding for community gardens	Food		
Increase the number of community gardens	Food		
make growing food raising farm animals easier	Food		
integration of urban agriculture	Food		
public food in parks	Food	Parks	
more gardens in yards	Food		
food security policy	Food		

be completely self sustaining in produce production or very near to it	Food		
agricultural zoning	Food	Development	
increase the number of community gardens	Food		
more food production	Food		
enhance food security	Food		
increase urban agriculture	Food		
install edible landscapes in public space	Food		
gardens	Food		
more urban agriculture and edible ornamentals	Food		
Increase urban gardening	Food		
Support local food way more	Food		
Provide organic local food to all the children	Food		
Wishes the city would invest in all neighborhoods--not just the most expensive ones downtown	Government	Downtown	
Lower taxes through a better use of funds	Government		
reach broader audiences with information on all services already doing	Government		
better integration between City and County	Government		
good coordination partnering with county government about services development programs	Government		
more interaction between "town" and "gown"	Government	College	
remove some of the inbreeding	Government		
better communication with community	Government		
more outreach to surrounding towns	Government		
more city/state participation in programs	Government		
more public evaluation of services of government	Government		
open public meeting space - unrestricted	Government		
more accountability between city/county	Government		
lower taxes	Government		
break down silos	Government		
lower property taxes	Government		
uni-gov	Government		
public participation	Government		
more direct leadership in state and national activities	Government		
get public servants in touch with constituents	Government		

power of county gov.	Government		
reduced govt	Government		
gaps, overlaps and inconsistencies between city & county government	Government		
more community input	Government		
create sense of urgency for improvements	Government		
responsible use of the statistics gathered in public forums	Government		
too much local government intervention	Government		
efficiency of processes	Government		
personal contact with public officials	Government		
have a mayor tune in	Government		
relationship to state government	Government		
reduced tax	Government	Economy	
city governments needs to be more transparent	Government		
better state integration	Government		
planning which takes into account the funding streams required	Government		
better working relationships between departments and commissions	Government		
have a local government that works efficiently	Government		
government policies and programs	Government		
more city county cooperation	Government		
reduce waste in department operations	Government		
more cooperative and workable leadership	Government		
worry about function	Government		
less influence of big money	Government		
get college kids to vote	Government		
More balance in local politics; one party rule isn't good for Bloomington, Monroe County or the state of Indiana	Government		
centered politically	Government		
move it out of Indiana	Government		
more political balance	Government		
political tolerance bipartisan projects	Government		
less divisive discourse in politics	Government		
civility in political debate	Government		
less politics	Government		
less political	Government		
Politics	Government		
More moderate leadership	Government		

healthy initiatives/leadership role modeling and adoption/buy-in of policies	Government		
mandatory sand ashtrays outside of bars	Government		
more interaction between city and students	Government	College	
more community outreach	Government		
City government	Government		
Great balanced bipartisan government oversight	Government		
Greater civility towards conservative ideas	Government	Culture	
Mayor	Government		
political climate	Government		
County govenment	Government		
Council	Government		
More conservative leadership	Government		
let the county vote for the city	Government		
city invents new levels of regulations	Government		
legalize marijuana	Government	Safety	
more active leadership	Government		
more fiscally responsible	Government	Economy	
fiscally responsible	Government	Economy	
more citizen input	Government		
more public participation in local government	Government		
more conservative with public funds	Government		
Council	Government		
give land owners their rights back	Government	Development	
innovative engaged leadership	Government		
modernize local government	Government		
Mayor	Government		
healthy	Health		
better doctors	Health		
better healthcare options for more residents	Health		
get rid of total non smoking ordinance	Health	Government	
smoking ban should be more strict	Health		
more awareness/prenatal care	Health	Social Services	
allow smoking in IU hospital parking lot	Health		
historic preservation of old houses	Historic		
kirkwood should be historic area - heartbroken if I came back and it was gone	Historic		
we need to protect our history more	Historic		

save more and restore old buildings	Historic		
maintain Bloomington's unique places and houses	Historic		
save more old buildings	Historic		
old buildings restored	Historic		
we've lost too many old buildings	Historic		
Fewer "preservation" interventions on buliding development	Historic		
save old buildings	Historic		
more loans tax breaks for restoring historic buildings	Historic		
Be historic preservation friendly	Historic		
more investment in restoration projects	Historic		
more recognition of importance of historic preservation	Historic		
preservation of our past structures	Historic		
preserve older homes/ buildings downtown. hate the boxes going up now - too many student apartments in the city's downtown.	Historic	Downtown	
increase appreciation for benefits of historic preservation	Historic		
more historic preservation	Historic		
Revitalize old structures	Historic		
less preservation of old useless non-historic buildings	Historic		
Downtown should be more welcome for local residents and not just for student renters.	Housing	Downtown	
more home ownership downtown	Housing	Downtown	
stop high-rise student housing downtown	Housing		
increased affordable housing	Housing		
limit apartment block development	Housing		
affordable housing	Housing		
rent in line with pay	Housing	Economy	
mixed age housing in downtown, IU students have no mentors	Housing		
low-cost housing opportunities	Housing		
Reward landlords who provide TRULY affordable housing and accept Section 8	Housing		
Govt housing	Housing		
Less high rises, more houses	Housing		
more diversity in downtown living	Housing		

home-ownership opportunities in downtown for non-students	Housing		
less expensive living	Housing		
less emphasis on students and more on community downtown	Housing	Downtown	
more affordable housing	Housing		
a shift from student to sustainable non-student housing downtown	Housing	Downtown	
affordable housing mixed housing	Housing		
more owner-occupants	Housing		
required affordable housing in developments	Housing		
Provide more affordable housing for the "working poor".	Housing		
When the hospital moves, change the hill to an all-age, all income level community	Housing		
housing diversity	Housing		
More choices in housing especially in central neighborhoods	Housing		
Better access to affordable housing in downtown area	Housing		
tame the student take-over of downtown	Housing	Downtown	
private university integrated housing	Housing	College	
Pass ordinances allowing vacant buildings to be squatted without prosecution	Housing		
less off-campus student housing	Housing		
more infill development downtown, addressing major gaps such as the huge vacant lot on w third near the crescent donut.	Housing		
More section 8 housing	Housing		
no more big apartment complexes	Housing		
less apartment blocks	Housing	Development	
Less rent for long term residents	Housing		
affordable housing cost of living	Housing		
stop student housing in established neighborhoods	Housing	College	
sustain people in place	Housing	Senior Citizens	
enforce rental property owner values for upkeep of property	Housing	Beautification	
a better mix of housing downtown	Housing		
More encouragement for lower income housing	Housing	Economy	
less apartments way from town	Housing		

More affordable housing downtown	Housing		
Expensive housing	Housing	Economy	
better engagement of long-term renters through programs that help renters address grievances with their landlords, for example by allowing renters to fix problems on their own and be reimbursed through adjustments in their rent.	Housing		
Cheaper housing	Housing	Economy	
affordable housing	Housing		
more affordable housing more density	Housing		
affordable housing	Housing		
revitalize older neighborhoods	Housing	Development	
preservation of core neighborhoods	Housing		
more housing for residents near campus and downtown	Housing	Downtown	College
fewer downtown high rise apartments	Housing	Downtown	Development
need affordable housing (in good locations) for families	Housing		
refurbish neighborhoods by limiting rentals	Housing		
rental inspect as needed,	Housing		
need affordable non-student housing downtown	Housing	Downtown	
less high-end student focused development	Housing	Development	
more affordable housing	Housing		
more sustainable housing downtown that attracts non-students, such as professional, young families, retirees	Housing	Downtown	
more dense spaces more population in less space more affordable	Housing		
less regulation of landlords	Housing		
Less student housing mega-complexes	Housing		
Lower Rent	Housing		
Lower Rent	Housing		
student houses	Housing	College	
more home ownership	Housing		
Too many apartments	Housing		
fewer apartment buildings especially downtown	Housing	Downtown	
More affordable housing	Housing		
more affordable housing	Housing		
less gigantic apts downtown	Housing		
more housing for families and seniors	Housing	Senior Citizens	

Increased living options near campus	Housing	College	
More affordable homes	Housing		
More downtown residences for baby boomers	Housing	Downtown	
need more adult housing downtown	Housing		
too much growth in expensive living need to focus on affordable housing	Housing		
quality housing available in sufficient quantities at all income levels	Housing		
fewer student oriented apartments in the downtown	Housing	Downtown	
more affordable housing	Housing		
change how much rental property can be occupied by IU students	Housing		
install rent control!!!	Housing		
more quality housing available for low-income people	Housing		
Student housing too close	Housing		
more affordable accessible housing	Housing		
stricter rules for landlords	Housing		
More low-income housing	Housing		
more low income housing	Housing		
greedy slum lords	Housing		
student domination in downtown living	Housing	Downtown	
make it easier for families and older people to live downtown	Housing	Downtown	
more affordable housing for non-student professionals	Housing		
safer student housing updated	Housing		
Bad renter protection policies	Housing		
Cheaper downtown housing	Housing		
more family housing downtown housing	Housing	Downtown	
Too much student housing away from campus core	Housing	Development	
students housed on campus	Housing	College	
price of housing in the city	Housing		
expensive real estate lack of affordability	Housing	Economy	
affordable housing for non-students	Housing		
More varied housing, esp. downtown, not just students	Housing	Downtown	
less restrictive zoning housing patterns 3 unrelated in a house	Housing	Development	
co-housing for the elderly and others	Housing	Senior Citizens	

a place where you see all ages living and playing together	Housing	Senior Citizens	
remove rampant housing	Housing		
more quality low income housing walking distance from downtown	Housing	Downtown	Transportation
provide more emphasis on co-operative living	Housing		
more senior housing	Housing	Senior Citizens	
lower rents	Housing	Economy	
More low-income housing	Housing		
Simpler rent	Housing		
increased housing options for retirees	Housing	Senior Citizens	
better infrastructure	Infrastructure		
More infrastructure	Infrastructure		
provide infrastructure in core neighborhoods stormsewers	Infrastructure		
improve infrastructure	Infrastructure		
Better infrastrucure	Infrastructure		
improve infrastructure	Infrastructure		
improve infrastructure	Infrastructure		
Better Infrastructure	Infrastructure		
better infrastructure	Infrastructure		
improve infrastructure - sidewalks/stormwater, roads	Infrastructure	Transportation	
figure out why we keep having flooding in the downtown during heavy rains	Infrastructure	Government

else	Miscellaneous		
reduce noise pollution especially from train horns	Noise		
stronger quiet hour hour enforcement	Noise		
In some neighborhoods, students are too loud for other residents-- pushes non-students further away from center of town	Noise	College	Development
Indoor Pools for Public not at IU	Parks	Amenities	
Larger (acres) parks	Parks	Amenities	
more parks improve parks	Parks	Amenities	
Provide an indoor waterpark for year-round use by families.	Parks	Amenities	
need more outdoor recreation	Parks	Amenities	
Outdoor Ice rink	Parks	Amenities	
better access to parks	Parks	Transportation	
Parks in every neighborhood, even downtown.	Parks	Amenities	
Needs a Public Dog Park	Parks	Amenities	
improve north college park	Parks	Amenities	
open schools to public gyms pools	Parks	Amenities	
neighborhood sports options	Parks	Amenities	
Fix up Lake Monroe beaches, a regulation volleyball court	Parks	Amenities	Government
more family friendly recreation options	Parks	Amenities	
free gymnastics	Parks	Amenities	
more picnic tables in parks	Parks	Amenities	
real community center with pool	Parks	Amenities	
dog park	Parks	Amenities	
free sports for kids	Parks	Amenities	
grass in people's park	Parks	Amenities	
needs downtown park-like picnic space	Parks	Amenities	
start valuing old trees in parks	Parks	Beautification	
more effort to monitor dogs not on leashes Jackson Creek Trail	Parks	Amenities	
East side skateboard park	Parks	Amenities	
Need a Public Indoor Pool	Parks	Amenities	
parks and recreation requirement of 1 million dollar liability insurance for permit and rallies	Parks	Amenities	
a downtown big park	Parks	Amenities	
add dog park infrastructure	Parks	Amenities	
ice rink improvements	Parks	Amenities	
More Public Soccer Fields	Parks	Amenities	
need dog parks	Parks	Amenities	

improve park spaces	Parks		
park usage	Parks		
keep preserving parks nature	Parks		
education about alcohol enforce PI laws	Safety		
Fewer drunk college students	Safety		
better safety alcohol use	Safety		
control underage drinking	Safety		
not having neighborhoods between bars and housing	Safety	Housing	Downtown
young drunks	Safety		
Drunk Students walking around town	Safety		
anti alcohol push make commons for homeless	Safety	Social Services	
improve crime rate	Safety		
more community policing	Safety		
less crime	Safety		
Safer	Safety		
Ask the front line Police Officers and front line Firefighters what they really need to protect the community better! Stop focusing on just the administrators!	Safety		
make it so no one can ever be taller from our streets without a camera seeing it	Safety		
skateboarders with safety equipment	Safety	Transportation	
Less crime	Safety		
improve safety	Safety		
more on/off campus security street cameras and call boxes	Safety		
decrease crime rate	Safety		
public safety	Safety		
marijuana prohibition	Safety		
decrease crime and drug problems (meth)	Safety	Social Services	
Stronger CJ system	Safety	Social Services	
less crime	Safety		
more street lights in residential areas at night	Safety		
less crime	Safety		
peaceful	Safety		
Safer	Safety		
improve public safety	Safety		
better prepared for natural disasters	Safety		
Crime	Safety		
More street lights in alleys off of 9th St. (on campus)	Safety		
reduce crime	Safety		
no cops	Safety		

eliminate laws creating victimless crimes	Safety	Government	
more police that respect and ovey the first amendment	Safety		
move enforcing above laws (victimless) to lowest priority	Safety		
On the square let people park overnight if they were drinking - offer bars and restaurants car window notes for those who had too much o drink could take a cab home	Safety	Transportation	
college apartments owners paying for their own security and not counting on taxpayers supporting BPD for their own in house issues	Safety	College	Government
no violence	Safety		
less wanna-be gangstas	Safety		
less cops	Safety		
safer	Safety		
minor drinking more preventative measures	Safety		
Reduce alcohol-centric/student downtown focus	Safety	Downtown	College
make library safer cleaner outside	Safety		
intergenerational programs for seniors	Senior Citizens		
A city that recognizes elders as a resource and not a drain on resources	Senior Citizens		
build new senior center	Senior Citizens		
having no senior center	Senior Citizens		
where are the programs for people with Alzeimer's disease?	Senior Citizens	Health	
venues that include seniors	Senior Citizens		
community for a lifetime designation	Senior Citizens		
better aging in place opportunities	Senior Citizens		
age in place	Senior Citizens		
more downtown apartments condos for seniors	Senior Citizens	Downtown	Housing
demographic changes towards seniors	Senior Citizens		
Provide more facilities for the over 65 seniors.	Senior Citizens		
wider choices for senior living	Senior Citizens	Housing	
cultural opportunities for seniors	Senior Citizens		
senior or elder center	Senior Citizens		
more housing for low income and seniors	Senior Citizens	Housing	
more age-friendly	Senior Citizens		

needs to be more elder conscious	Senior Citizens		
accomodate growing senior population	Senior Citizens		
bigger retirement industry	Senior Citizens		
senior housing downtown	Senior Citizens		
elder-supportive	Senior Citizens		
more places for older adults to socially congregate be actively engaged and creatively inspired	Senior Citizens		
one or more gerontologists serving bloomington	Senior Citizens		
more emphasis on elders bloomington is a great place to retire	Senior Citizens		
Great city to retire - keep the older population in mind with planning	Senior Citizens		
comprehensive view of seniors over 60	Senior Citizens		
enable the elderly to attend classes at IU at reduced prices or even free	Senior Citizens	College	
use neighborhood school where the elderly could get lunch get exercise	Senior Citizens	Health	Education
More grants and money for social services	Social Services		
help local shelters	Social Services		
change criminal justice system	Social Services		
more real exciting opportunities for low income kids	Social Services		
no expansion of the jail, now or in the future. address redundancies in our criminal justice system.	Social Services		
More things going on through community resources Deptment	Social Services

reduce homelessness by coordinating and specializing services	Social Services		
Reduce/merge redundant social service agencies	Social Services		
homeless refuge	Social Services		
more housing for the homeless	Social Services		
create de-tox and rehab centers	Social Services		
less homeless	Social Services		
homeless help them provide more services	Social Services		
downtown senior livingroom cafe center	Social Services	Downtown	
family care	Social Services		
safe guards to prevent homelessness	Social Services		
more sstainable	Sustainability		
more preperation for peak oil community sustainability	Sustainability		
totally sustainable town	Sustainability		
more citizen involvement in sustainability	Sustainability		
sustainability	Sustainability		
higher urban density as a means of sustainability	Sustainability	Development	
sustainable	Sustainability		
more emphasis on sustainability support and encourage powerful sustainability initiatives on neighborhood level	Sustainability		
an increase in sustainability practices especially in the parks and recreation department	Sustainability	Parks	
sustainability	Sustainability		
sustainability	Sustainability		
keep a focus on making it more sustainable	Sustainability		
more focus on sustainability	Sustainability		
more sustainable development	Sustainability		
more sustainable	Sustainability		
more sustainability	Sustainability		
actually sustainable	Sustainability		
More sustainability leadership and action	Sustainability		
sustainability	Sustainability		
not enough action on sustainability	Sustainability		
become the regional leader in sustainable initiatives best practices	Sustainability		

We need to be actively and quickly moving towards general community self-sufficiency and sustainability--not just talking about it.	Sustainability		
more bike-pedestrian platinum	Transportation		
plan for compact, walkable/bikeable, energy efficient development throughout the community	Transportation	Environment	Development
walkable community ctrs (seniors)	Transportation	Senior Citizens	
elder friendly transporttion	Transportation	Senior Citizens	
less road construction	Transportation		
light rail to indy	Transportation		
Stop I-69	Transportation		
better mass transit, more Zipcar type options	Transportation		
Better infrastructure (roads and sidedwalks)	Transportation		
provide alternative transportation across SR37 and throughout Bloomington	Transportation		
bicycle friendlier	Transportation		
fewer cars	Transportation		
less stoplights and more roundabouts	Transportation		
Grow the bus system	Transportation		
more sidewalks near university	Transportation		
expand bike pedestrian trails	Transportation		
reduce auto dependency	Transportation		
lower gas prices	Transportation		
no street bike parking	Transportation		
more designated bike only paths so less driving our cars	Transportation		
affordable transportation options for older adults	Transportation	Senior Citizens	
Leverage I-69 opportunities rather than trying to stop the project	Transportation		
more bike lanes	Transportation		
More in-fill. Keep the people close to downtown and give them a walking path from home to downtown and to schools.	Transportation	Development	
a reasonably-priced, safe child taxi service to help parents get their kids to the great opportunities in B-ton	Transportation	Amenities	
increased bus routes and frequency	Transportation		
R turn lane from heading N on Bypass trying to turn E onto 10th	Transportation		

The city has done a great job with the addition of many great bike lanes, but lets keep adding more, and make commuting on bikes more popular!	Transportation		
bike mecha	Transportation		
light rail to surrounding areas and even beyond.	Transportation		
should be a bike pedestrian path from each core neighborhood both to downtown and schools	Transportation		
graduated parking spaces enough with all the handicap parking make common sense planning decisions already	Transportation		
build underground structures to store bikes and cars	Transportation		
small walkable schools tie to community	Transportation	Education	
more bike and walking paths pedestrian-friendly intersections	Transportation		
keep adding to the b-line	Transportation		
More buses or more parking	Transportation		
some speed limits are too low for certain areas	Transportation		
Need more public transportation	Transportation		
better bike lanes	Transportation		
east/west bike trail multiple connecting paths not just bike lanes	Transportation		
better traffic intersections	Transportation		
new added trials B-line	Transportation		
campus road streets	Transportation		
more convenient public transportation from campus out into the city	Transportation		
no more big parking lots	Transportation		
better network of bikeways	Transportation		
park & ride from Ellettsville	Transportation		
bike/ pedestrain path of b-line over 2nd streeet	Transportation		
better upkeep of sidewalks and more walking paths	Transportation		
extend bus service	Transportation		
back-in angled parking-safer!	Transportation		
light rail do it combine city and county governments	Transportation	Government	
timed stop lights for travel through town nearness of I69	Transportation		
transit extends to Ellettsville	Transportation		
Less Gridlock on Game Days at IU	Transportation		

ban city and county workers from on street parking downtown-use the garages so shoppers can park	Transportation		
add light rail service, at least to Indy	Transportation		
free shuttle taxi service for seniors	Transportation	Senior Citizens	
keep I69 away from our backyard	Transportation		
less roadwork better timing	Transportation		
more carpools	Transportation		
Bline east- west needed	Transportation		
IU freshman no cars	Transportation		
Easier transportation interaction with county	Transportation		
continue building up bike trails and promote bicycling	Transportation		
stop planning for more cars. it just brings more cars	Transportation		
more hybrid buses	Transportation		
bike lanes	Transportation		
train to Indy	Transportation		
make kirkwood open to pedestrian and bus traffic only (see Madison, Wis., model)	Transportation		
East West pedestrian trail	Transportation		
more efficient city roads	Transportation		
more parking (garages) downtown	Transportation		
embrace I69	Transportation		
Provide more parking at the public library downtown.	Transportation		
innovate transportation solutions better for pedestrians	Transportation		
better public transit options non-fossil fuel	Transportation		
the bus routes are poorly designed	Transportation		
faster construction completion	Transportation		
Too much traffic!!!	Transportation		
expand trails like the B-line	Transportation		
bike paths	Transportation		
over-crowded buses	Transportation		
Better protection for cyclists	Transportation		
more parks, trails, bicycle lanes, public transport	Transportation		
less campus congestion	Transportation		
slow 3rd Indiana Atwater intersection	Transportation		
more walking trails B-line	Transportation		
road construction	Transportation		
fewer one-way streets	Transportation		
Less Vehicular Traffic	Transportation		
quit using roundabouts	Transportation		

more public usable transportation	Transportation		
better street maintenance	Transportation		
license bicycles	Transportation		
left turn auto setbacks turning cars into pedestrians and cyclists	Transportation		
fewer cars, more bike access	Transportation		
Parking at the Library	Transportation		
Stop I-69	Transportation		
needs more bus service	Transportation		
Cooperate with DOT on I-69	Transportation		
more bike lanes	Transportation		
better public transportation to Indianapolis	Transportation		
extend the B-line to the Cedar Bluffs	Transportation		
more focus on walkable neighborhoods, less on large traffic arteries	Transportation		
Better Roads	Transportation		
more roundabouts	Transportation		
develop more bike pedestrian routes	Transportation		
dunn street under/overpass and 13th	Transportation		
DON'T CONNECT HILLSIDE TO ROGERS STREET	Transportation		
better roads	Transportation		
designate a walk only boulevard	Transportation		
Assist DOT in planning I-69	Transportation		
Make I-69 a potential light rail corridor	Transportation		
more attention to alternative transportation	Transportation		
no speed bumps you just lowered speed limit	Transportation		
merge bus system city/IU	Transportation		
less road work	Transportation		
get I69 out of our community	Transportation		
Need more public transportation	Transportation		
more sidewalks	Transportation		
More bicycle trails	Transportation		
add even more family-friendly bike paths	Transportation		
Neighborhood sports and/or better transportation to parks!!!	Transportation	Parks	
more mass transit	Transportation		
more bike lanes	Transportation		
B-Line activities	Transportation		
More sidewalks/walking paths along busy corridors	Transportation		
Easy to figure maps & timetables of bus routes at bustops	Transportation		

Wishes city thought about kids when thinking about connectivity (need bike routes to schools, less pesticides where kids play/travel)--most of the city publicity seems to ignore kids until they are in college & their families	Transportation		
no roundabouts	Transportation		
more bike lanes, fewer cars	Transportation		
better bike network	Transportation		
good east/west corridor for bikes/pedestrians peak oil	Transportation	Environment	
improve parking lot design	Transportation	Development	
Stop wasting money on ridiculous concrete medians on streets that are already too small and on "spoiled brat" neighborhoods who think they deserve special attention	Transportation		
most parts of town are bad for pedestrians	Transportation		
better parking downtown	Transportation		
lets get a better vision for s. walnut street	Transportation		
improve public transit more routes etc.	Transportation		
more sidewalks	Transportation		
monrail for campus	Transportation		
need more bike lanes	Transportation		
less annoying traffic on 3rd/atwater and 10th around rush hour	Transportation		
less roads	Transportation		
not very bike friendly	Transportation		
Quality of Roads	Transportation		
improve traffic construction back-ups	Transportation		
less road construction	Transportation		
less traffic congestion	Transportation		
make bus lines easier to understand phone apps	Transportation		
bring bike share to bloomington	Transportation		
parking especially downtown	Transportation		
Road cohesion	Transportation		
slower speed limits	Transportation		
less commutative congestion	Transportation		
less expensive parking	Transportation		
have more smaller buses	Transportation		
more roundabouts	Transportation		
make 10th st a 4 lane	Transportation		
more non-auto transport	Transportation		
more user friendly streets for bikes and people	Transportation		
additional connections to trails	Transportation		

Crackdown on wreckless drivers	Transportation		
More efficient transportation around campus	Transportation		
Need Southern Bipass	Transportation		
traffic patterns	Transportation		
needs more biking ways	Transportation		
the ugly wall the city erected on Kirkwood by Rosehill cemetery and that ill-conceived intersection at Adams (it should be a roundabout)	Transportation	Beautification	
more bike transportation	Transportation		
Traffic	Transportation		
more emphasis on bike and pedestrian safety	Transportation		
easier downtown parking options	Transportation		
traffic	Transportation		
better subsidized bus service	Transportation		
better public transportation	Transportation		
complete the Jackson Creek multi-use trail	Transportation		
safer for biking	Transportation		
need better pedestrian treatment on streets	Transportation		
more services closer to residences more walking	Transportation		
pedestrian cyclist safety and development improved	Transportation		
consider sustainable transportation within town and to Indianapolis	Transportation		
increase bus transportation	Transportation		
more public transportation	Transportation		
more bus routes transportation flexibility Sunday	Transportation		
more sidewalks to encourage walking	Transportation		
the number of onging road projects	Transportation		
Be more encouraging to pedestrians	Transportation		
more safe bike lanes	Transportation		
Better biking and walking	Transportation		
better accessible transportation options	Transportation		
Improve public transit	Transportation		
make bike commuting less hazardous with real bike paths not lanes	Transportation		
more bike friendly	Transportation		
more biker friendly	Transportation		
pedestrian-only Kirkwood	Transportation		

A pedestrian downtown. Combined with rail, it will make downtown flourish.	Transportation		
More bike-friendly roads	Transportation		
Allocation of transportation funds from car to bike resources	Transportation		
more trails	Transportation		
east west corridor	Transportation		
More pedestrian friendly (esp. downtown e.g., E Kirkwood area)	Transportation		
the traffic is heinous	Transportation		
More efficient ways to drive around town.	Transportation		
transit to nearby business centers, bus and rail	Transportation		
better transit options in/out of town	Transportation		
more bicycle and pedestrian paths	Transportation		
fewer arterials	Transportation		
increase bike trails and lanes	Transportation		
more bikeable add bike lanes paths network them	Transportation		
cultural trails with more outdoor activities	Transportation	Amenities	
dedicated bike infrastructure separated bike lanes from road	Transportation		
biking infrastructure	Transportation		
traffic	Transportation		
no more road improvements lik I69 and bypass	Transportation		
More sidewalks	Transportation		
less cars	Transportation		
easier transportation around campus and town	Transportation		
Auto traffic	Transportation		
slow road construction	Transportation		
bike friendly	Transportation		
constant road construction	Transportation		
Better transit stops	Transportation		
Stop I-69	Transportation		
mass transit, not buses	Transportation		
more incentives for riding bikes	Transportation		
integrate iu and bloomington transit better (why do i have to transfer at 4th st to go two miles to my job on campus?)	Transportation		
More bike lanes	Transportation		
better bus system updated like Champaign-Urbana (IL)	Transportation		
more parking near campus	Transportation		
slow traffic on square	Transportation		
increase awareness of B-line	Transportation		
reduce traffic congestion	Transportation		

sidewalks for pedestrians	Transportation		
more parking downtown for longer hours	Transportation		
traffic through campus	Transportation		
rail road intersections on campus	Transportation		
traffic flow	Transportation		
connect campus with whole town	Transportation	College	
Transit opportunities	Transportation		
more crosswalks	Transportation		
a way to travel from 37 to the east side under 30 minutes	Transportation		
needs more walking trails	Transportation		
get skateboarders off Kirkwood	Transportation		
less auto-dependent	Transportation		
additional sidewalks in existing areas	Transportation		
more parking downtown	Transportation		
remove traffic calming diversion on 3rd street ruined 2 wheels on at 25 MPH	Transportation		
sidewalks	Transportation		
Ease of travel roads especially downtown	Transportation		
better traffic control	Transportation		
I-69 will destroy much	Transportation		
Stop I-69	Transportation		
More consideration for those who cannot walk or bike	Transportation		
More bike paths both on and outside city	Transportation		
bike lanes in new road construction	Transportation		
too much traffic	Transportation		
less one way streets.	Transportation		
more sidewalks-esp west side	Transportation		
safer bike routes	Transportation		
more bike-friendly	Transportation		
better public transportation	Transportation		
bus system around campus	Transportation		
better safety for peds and bicyclists and cars	Transportation		
bike & pedestrian safety	Transportation		
accessible sidewalks-ADA passed over 20 years ago	Transportation		
more bike paths	Transportation		
2 hour parking downtown	Transportation		
keep encouraging safe alternatives to cars	Transportation		
more sidewalks	Transportation		
more bicycle and golfcart friendly	Transportation		
more traffic friendly	Transportation		

more vehicle traffic and parking friendly	Transportation		
more town and IU collaboration	Transportation		
bus routes	Transportation		
stop I69	Transportation		
really a bicycle town	Transportation		
Be more bicycle friendly	Transportation		
no I-69	Transportation		
More bicycle paths	Transportation		
public transportation extended outside city limits	Transportation		
more bicycle friendly	Transportation		
resolve traffic issues congestion including parking	Transportation		
increase alternative transportation infrastructure sidewalks bike lanes paths bus routing	Transportation		
Need to continue working on our bike infrastructure network	Transportation		
more pedestrian friendly (specifically west side)!!	Transportation		
more pedestrian and bike friendly	Transportation		
Transportation. An intracity rail and SERIOUS bike paths that make one feel safe, as well as able to get where one needs to go!!!	Transportation		
Embrace I-69	Transportation		
more bike and ped friendly	Transportation		
congested traffic	Transportation		
Repaired roads	Transportation		
better public transportation	Transportation		
Reroute I69 away from Bloomington	Transportation		
More Bike infrastructure	Transportation		
Would love a train to the airport & Indy	Transportation		
more parking	Transportation		
congested	Transportation		
complete streets	Transportation		
more walking, biking, bus, and access	Transportation		
more trails	Transportation		
improve sidewalks	Transportation		
fewer cars and more alternative transportation	Transportation		
more grid streets	Transportation		
Way college kids drive	Transportation		
Way college kids drive	Transportation		
traffic	Transportation		
additional bike lanes	Transportation		
more useable bus system	Transportation		
better walkability	Transportation		

easier to bike from edges of town	Transportation		
Traffic	Transportation		
More sidewalks	Transportation		
improve automobile flow on congested streets	Transportation		
high-speed rail to indy or chicago	Transportation		
Transportation	Transportation		
extend B-line out to ellettsville area	Transportation		
Traffic	Transportation		
Building more bike paths	Transportation		
more bicycle friendly	Transportation		
see the area outside of downtown and campus become more walkable	Transportation		
better public transportation	Transportation		
more public transportation access for bikers	Transportation		
more pedestrian friendly	Transportation		
more cross-walk lights	Transportation		
the roads streets and the constant road construction	Transportation		
parking availability	Transportation		
less traffic congestion	Transportation		
increase ease of mobility/transporation	Transportation		
widen South Walnut driving lanes	Transportation		
less motor vehicle speeding	Transportation		
more E/W driving routes	Transportation		
more biking lanes	Transportation		
more bike lanes	Transportation		
free public transportation	Transportation		
modernize transportation	Transportation		
less road work taking over all major roads at once	Transportation		
improved alternative transportation	Transportation		
traffic	Transportation		
time the stop lights better so i dont have to stop driving on east west / north south routes	Transportation		
control skate boards and bikes	Transportation		
less reliance on automobile	Transportation		
get bikes off sidewalks	Transportation		
better traffic flow	Transportation		
better traffic flow east-west especially	Transportation		
sunday bus service	Transportation		
parks and recreation fees for shelter and park permits	Transportation		
better traffic patterns	Transportation		
more and better connectivity	Transportation		

extend buslines	Transportation		
better transportation for all more bus stops	Transportation		
transportation streets	Transportation		
Transportation	Transportation		
much more bikeable	Transportation		
Less traffic	Transportation		
tax breaks for persons who use mass transit or non motorized transportation	Transportation	Government	
more bike lanes	Transportation		
better parking	Transportation		
better parking	Transportation		
parking	Transportation		
transportation services	Transportation		
transportation	Transportation		
transportation	Transportation		
bus system	Transportation		
wider road	Transportation		
less construction traffic	Transportation		
shortened construction	Transportation		
Make it really bicycle friendly city	Transportation		
parking problems	Transportation		
improve traffic flow	Transportation		
more sidewalks	Transportation		
east-west traffic patterns	Transportation		
more benches transportation access	Transportation		
traffic	Transportation		
Easily accessible parking	Transportation		
Bicycle Lanes	Transportation		
Infrastructure is too car-centric	Transportation		
stop i 69	Transportation		
2 hr parking is not long enough for shopping and dining - or attending meetings	Transportation		
pedestrian and bicycle priority	Transportation		
pedestrian and bicycle priority	Transportation		
more green trnasporatation like lite rail to Indi	Transportation		
government funding for citizens who use non mortorized transportation	Transportation	Government	
less traffic	Transportation		
More attention to alternative transportation	Transportation		
make 2nd street wider	Transportation		
bike friendly	Transportation		
more bike paths	Transportation		
bus routes	Transportation		
underground tunnel	Transportation		
underground tunnels at IU	Transportation	College	
bike routes	Transportation		

some covers over bike racks so bikes wont get wet when it rains	Transportation		
appropriate use of streets vehicle restrictions	Transportation		
make pedestrians safer	Transportation		
more depending on alternative transportation fewer cars more walking biking etc.	Transportation		
buses on Sunday	Transportation		
provide better transportation in neighborhoods have buses go into neighborhoods	Transportation		
better bus routing larger area covered	Transportation		
Common sense traffic patterns	Transportation		
Help I69 happen	Transportation		
Transit is insufficient	Transportation		
worry less about traffic calming devices	Transportation		
road reconstruction projects not all tackled at the same time.	Transportation		
road diet	Transportation		
road diet	Transportation		
Need shops and eateries along B line trail	Transportation		
more parking	Transportation		
more parking	Transportation		
parking	Transportation		
more sidewalks and ones that are wheelchair friendly	Transportation		
more seats around town and area for walkers	Transportation		
increased bike ped infrastructure	Transportation		
more underground everything	Transportation		
more sidewalks in outer area	Transportation		
more facilities programs for older people need better transportation for elderly	Transportation	Senior Citizens	
Fix roads	Transportation		
add sidewalks to areas where they don't exist	Transportation		
vehicular mobility	Transportation		
better bus schedule	Transportation		
remove parking barriers for downtown merchant customers	Transportation		
Make Kirkwood a pedestrian mall	Transportation		
no cars for students	Transportation	College	
an easier process to build quality structures	Transportation		
Widespread lack of sidewalks!	Transportation		
keep pedestrian bike friendly	Transportation		

need a good IU football team took too long to start by-pass widening need E-W on southside	Transportation	College	
quicker construction	Transportation		
better street maintenance	Transportation		
by-pass to be completed	Transportation		
flexible transportation better traffic flow	Transportation		
reduce speed on curving roads	Transportation		
eliminate speed bumps	Transportation		
driving speed	Transportation		
more biking trails	Transportation		
Slower	Transportation		
NO I69!	Transportation		
better buses-so blo to campus	Transportation		
Ring road - center goes up	Transportation	Development
