What is Hoosier Healthwise?

Hoosier Healthwise is a health care program that offers free or low cost health care coverage for eligible children and pregnant women.

Who is eligible?

To qualify for Hoosier Healthwise, a child must live in Indiana, be under age 19, and live in a family that makes at or below the monthly income limits listed on the chart on the next page. Non U.S. citizens who meet the requirements may be eligible for emergency services coverage.

What health services are covered?

Hoosier Healthwise covers children's checkups, well-child visits, vision and dental care, and much more. Pregnant women receive coverage for maternity visits, labor and delivery, and two months post-partum.

-See the back page for a more complete list.

What will it cost?

Package A and the Pregnancy Package are provided at no cost to members. Package C is provided at a low cost. The premium amounts for Package C are between \$33 and \$50 per month, based on family income and the number of family members covered.

How do I apply?

The application process is simple. Call (812) 349-3430 or one of the enrollment centers listed on the back to make an appointment.

Eligibility Guidelines For Hoosier Kids

Example: If you have four people living in your home and your household income is \$2,419, you qualify for Package A with no monthly premium.

Monthly Income Limits (before taxes)

Family Size	Children's Coverage		Pregnancy Coverage
	Package A (No Cost)	Package C (Low Cost)	Package B (No Cost)
1	\$1,277	\$1,702	Not applicable
2	\$1,712	\$2,282	\$2,282
3	\$2,147	\$2,862	\$2,862
4	\$2,582	\$3,442	\$3,442
5	\$3,017	\$4,022	\$4,022
6	\$3,452	\$4,602	\$4,602
7	\$3,887	\$5,182	\$5,182
8	\$4,322	\$5,762	\$5,762

Note: In determining the family size, the number of unborn children is included. For example, a woman who is carrying one baby and lives with her husband will have a family size of 3.
