

Board of Public Works Meeting

February 26, 2013

AGENDA
BOARD OF PUBLIC WORKS
(This Meeting May be Televised)

A Regular Meeting of the Board of Public Works to be Held Tuesday, February 26, 2013 at 5:30 p.m., in the McCloskey Conference Room of City Hall at Showers, 401 N. Morton Street, Bloomington, Indiana.

I. MESSAGES FROM BOARD MEMBERS

II. APPROVAL OF MINUTES – February 12, 2013

III. PETITIONS & REMONSTRANCES

IV. TITLE VI ENFORCEMENT

V. HEARINGS FOR NOISE APPEAL

VI. OLD BUSINESS

VII. NEW BUSINESS

- 1. Resolution 2013-13: Allow Itinerant Merchant to Operate in Public Right of Way (The Tamale Cart)**
- 2. Request for Noise Permit and Use of Parking Spaces for Community Art Fair at Waldron, Hill and Buskirk Park (Friday thru Sunday, 8/30-9/1)**

VIII. STAFF REPORTS & OTHER BUSINESS

IX. APPROVAL OF CLAIMS

X. ADJOURNMENT

The Board of Public Works meeting was held on Tuesday, February 12, at 5:30 p.m. in the Council Chambers of City Hall at Showers, 401 N. Morton Street, Bloomington, Indiana with Charlotte Zietlow presiding.

**REGULAR MEETING
OF THE BOARD OF
PUBLIC WORKS**

Present: Charlotte Zietlow
James McNamara
Frank Hrisomalos

ROLL CALL

City Staff: Rick Alexander - City Engineering
Jackie Moore – City Legal
Chris Smith - Public Works
Mike Arnold - HAND
Miah Michaelsen – ESD

Zietlow congratulated Rick Alexander on his new grandchild who is named after him.

**MESSAGES FROM
BOARD MEMBERS**

McNamara made a motion to approve the minutes of January 29, 2013. Hrisomalos seconded the motion. The motion passed. Minutes from January 29, 2013 approved as submitted.

**APPROVAL OF
MINUTES**

None

**PETITIONS &
REMONSTRANCES**

None

**TITLE VI
ENFORCEMENT**

None

**HEARINGS FOR NOISE
APPEALS**

OLD BUSINESS

NEW BUSINESS

Rick Dietz introduced himself. He stated the purpose of this document is to codify the agreement enabling the carriage of the City of Bloomington PEG channels over AT&T's U-Verse video service. Although there are deficiencies in this agreement, they are not points that AT&T is willing to negotiate. Acknowledging this, staff feels it is in the City's best interest to move forward with an agreement to provide PEG carriage through AT&T U-Verse to its customers. Dietz said the contract AT&T has provided is the same as their agreements with other cities where they are providing PEG access for their customers. Dietz stated the biggest difference is that the

**Approval of Agreement
Between AT&T Indiana
and the City of
Bloomington for PEG
(public, education, and
government) Carriage**

channels will not be listed in the normal listing, but the customer will have to navigate to another list and pick out Bloomington from a list of communities in the zone. Also, the resolution will not be as good as the regular channels.

Zietlow asked if this was a new arrangement or a continuing arrangement. Dietz stated this is a new agreement.

McNamara asked if there was currently no PEG access to U-Verse customers. Dietz stated that was correct. McNamara asked if Dietz could elaborate a little more on the deficiencies. Dietz stated the biggest difference is that the channels will not be listed in the normal listing, but the customer will have to go navigate to another list and pick out Bloomington from a list of communities in the zone. Also, the resolution will not be as high as other channels.

Zietlow asked about charges, if there is a reduction since the resolution is not as high. Dietz stated he could not speak to that point. He knows AT&T is not allocating as many resources to the PEG channels as other programming.

McNamara asked if Dietz could explain what the PEG channels are. Dietz explained those are the CATS channels and public access television channels; currently City, County, Public Access, SKOLA, and WTIU.

Hrisomolas asked what other communities are in the Zone. Dietz stated he believed Columbus was one, and would get that information to the Board.

Dietz stated if the Board decides to move forward with this agreement that will give the community three PEG providers, Comcast, Smithville, and AT&T. Dietz also stated, going back many years ago, the City negotiated a very strong franchise agreement with the cable provider.

Zietlow felt like this would leave some citizens with an inferior product and wondered if AT&T did worry about competition. Dietz stated it was his sense AT&T would not feel competition over this type of programming as it is not dollar driven like a sports event would be.

Discussion about the technical aspects of AT&T and other providers ensued. Dietz stated some of the new fiber that has been installed by Smithville was taxpayer dollars and part of the stimulus package.

Zietlow has noticed that some people are beginning to be priced out of the market of television and wondered if this was addressed at all in the Agreement. Dietz stated it is not. This agreement before the Board only addresses bringing CATS programming and public access to customers of AT&T U-verse.

McNamara asked about the use of City right of way. Dietz stated you can look around town and see the telecom boxes. He also noted it has been introduced at the State House that these companies not have to compensate cities for the use of their right of way. This is being fought by most cities in Indiana. McNamara asked how franchise fees relate to AT&T. Dietz stated they do have to pay franchise fees.

McNamara asked why the contract is for a term on five (5) years. Dietz stated that was AT&T's request and is a boilerplate for their agreements.

In summary people who have subscribed to AT&T U-verse want PEG channels and this is the contract, while not ideal, that provides for those channels which is better than not having the programming available at all. McNamara pointed out that PEG programming is very important to the transparency of government and to an informed electorate.

McNamara made a motion to approve the Contract between AT&T Indiana and the City of Bloomington for PEG (public, education, and government) Carriage. Hrisomalos seconded the motion. The motion passed. Contract with AT&T approved.

Dietz stated this is a pretty straightforward agreement and not anything different that has been presented in previous years with only minor exceptions. These agreements will codify mutually agreeable conditions on the use of the City of Bloomington's fiber assets by MCCSC, Monroe County Government and MCPL. There have been no problems in the past with these partners and they have been very good to work with. Monroe County is provided with 18 strands, Monroe County Government with 6 strands, and Monroe County Public Library (MCPL) with 4 strands. BDU partners are responsible for terminating and lighting the fiber strands themselves.

**Approval of Agreements
between the City of
Bloomington and the
Monroe County Public
Library, Monroe County,
and Monroe County
Community School
Corporation for
Permission to Use Digital
Underground Fiber**

Zietlow stated she noticed that Richland Bean Blossom School Corporation was not included. Dietz stated this is only the fiber footprint in the downtown of Bloomington. Currently there is no fiber outside the corporate boundaries.

McNamara stated this is like its own little utility. Dietz stated it has not operated like a utility in a formal and legal sense, but the City is providing infrastructure that has utility to our partners.

McNamara made a motion to approve Agreement between the City of Bloomington and the Monroe County Public Library, Monroe County, and Monroe County Community School Corporation for Permission to Use Digital Underground Fiber. Hrisomalos seconded the motion. The motion passed. Agreement approved.

Arnold stated this is actually an Order to Repair and not an Order to Remove.

This property went through Title 16 inspection for rental permit renewal. There was a structural issued found during that inspection with the floor system where the water heater and furnace sit. Because this property is vacant there is no deadline to meet the requirements to Title 16 until someone moved back in as a renter; however, the deadline on the Order to Repair is March 31, 2013. The inspector did feel it was serious enough that an Order to Repair should be issued as soon as possible. The owner did request the opportunity to speak to the Board regarding the deadline and the repairs that need to be made. However, Arnold stated the owner is not present and he was not sure why.

Arnold suggested because there is another meeting of the Board before the deadline that the item be tabled to make sure the owner has the opportunity to be present.

Hrisomalos made a motion to table this item. McNamara seconded the motion. Vote to table was 2 - 1, with McNamara being the one nay vote. Motion to table approved.

Arnold stated Housing and Neighborhood Development had received a complaint on this structure. There is a lot of deterioration to this building, and probably some structural issues that need to be addressed, in particular the roof. There is damage from a tree falling on the roof earlier in the year. Orders to Repair were issued on this structure with a deadline of April 1, 2013. The owner was in last week to talk to staff and set up a timeline for finishing the project. Some of the repairs have been done, mainly on the back of the building. The owner is asking that his deadline be extended to July 1, 2013. HAND staff is in agreement with that deadline so recommend extending the deadline to July 1, 2013.

The Board asked if the structure was vacant. Arnold wasn't sure they

Request to Uphold Order to Repair Unsafe Structure at 2453 W. Marlene Drive

Request for Extension of Time to Repair Unsafe Structure at 618 E. Atwater Avenue

stayed there all the time, but he does get the impression they are there some of the time. The structure is owner occupied.

Hrisomalos made a motion to approve request for extension of time to repair unsafe structure at 618 E. Atwater Avenue to July 1, 2013. McNamara seconded the motion. The motion passed. Time extension was granted.

Rick Alexander stated Matt Press, Neighborhood Solutions, is the Petitioner. He is represented by Jeff Fanyo of Bynum and Fanyo. This request is for plat approval of a 20 lot mixed use subdivision at the southeast corner of Morton and Dodds. Lots #1-12 would be narrow single family home lots that would face the B-Line trail. There is a paved alley that runs north and south on the eastside of the property which will allow access to the parking areas of each lot. Lot #13 is proposed for a 5 unit townhouse. East unit would eventually be on its own lot, so this would be subdivided again at a future time. There will be a common lot for parking and utilities. Lot #14 is planned for a mixed use two story building designed to look like a train depot. There will be three two bedroom apartments on the second floor, and 3200 square feet of non-residential space on the ground floor. Lot #15 would also be a mixed use building with 1000 square feet of non residential space on the first floor and a live/work building with a two bedroom apartment on the second floor. This is designed to look similar to the Carriage House building down the street. The Plan Commission approved the PUD 1812 in 2012 to allow the re-zoning to permit multi-family and commercial uses. The Plat Committee approved the Plat on February 4, 2013. The Petitioner is required to dedicate 20 feet of right of way from the center line on Dodds Street, north of the project. He is also voluntarily dedicating 4 feet of right of way along the alley that will allow access to the parking areas. A public improvement bond has been established and is in place for \$28,495.63. Staff recommended approval.

**Plat Approval for B-line
Station Subdivision**

Zietlow stated she is excited to have a real plat as they haven't platted a development for awhile. Zietlow asked since these are narrow lots, what types of houses will they be. Jeff Fanyo stated they have quite a bit of detail. Mark Cornett was the architect. The idea is to have multiple looks and not the same thing over and over again. The average lot building area is 22 feet. The lengths vary from approximately 40 feet deep to 70 feet deep, depending on whether they have an attached garage. These are narrow lots and have allowance for a two foot bump out on the Southside for 50 percent of the length of the wall. Each one has a porch that faces the B-Line

trail and the rear of the homes will be accessed off the alley.

Hrisomalos asked about parking. Fanyo stated each unit could have a two car garage, but they would be narrow garages. There is some allowance for surface parking because there is a flood plane involved where a garage could not be built.

Hrisomalos asked about the separation. Fanyo stated the minimum separation between units is six feet, in some places it will be 8 feet.

Zietlow asked if they will be affordable. Fanyo stated he really wasn't sure what that word means anymore, but he believed the price point would be around \$190,000 area and up to mid 200's.

Hrisomalos asked if they would be sold. Fanyo stated they would be owner occupied.

McNamara moved Plat Approval for B-Line Station Subdivision. Hrisomalos seconded the motion. The motion passed. Plat approved.

Rick Alexander stated the general contractor is Gillate General Contractor. Gillate has been contracted to build the next apartment building complex on Morton at 640 North Morton. This is the last available lot in this block on the eastside of the street. The building encompasses nearly the entire lot making it difficult to access to do the work. Mr. Rittman has asked to use some of the public right of way adjoining the project. The north south alley was originally looked at but it would be difficult for some of the adjoining property owners. The request has been modified from what was in the Board's packet. This MOU will only allow them to use a portion of the east/west alley, south of the project, and the adjoining parking bay along Morton Street. Staff has prepared the Memo of Understanding which has been reviewed by City Legal and signed by the Mayor. A Hold Harmless Agreement has also been prepared. By signing these documents, Mr. Rittman agrees to the conditions. Gillate has built several building including the last one in this complex. Staff does have a good relationship with this contractor. Staff recommended approval.

Memorandum of Understanding to Use Right of Way at 640 N. Morton Street

Mr. Rittman stated the building has been narrowed about 20 feet on the backside so that the alley would not need to be closed. August 9th is the completion date. In the south east the alley will only be closed as far east as the entrance to the adjoining building.

Zietlow asked how many units there will be. Rittman stated 17 one

bedroom units. She stated there are only two one bedroom apartments on the first floor. Zietlow asked about parking. Rittman stated there will be site parking but no parking under the building.

McNamara moved to approve the Memorandum of Understanding to use Right of Way at 640 North Morton Street. Hrisomalos seconded the motion. The motion passed. MOU approved.

Rick Alexander stated the petitioner is Adams Crossing, LLC. Travis Vencel was present to answer any questions.

**Action Regarding
Request for Vacation of
Seminary Lot Alley Right
of Way**

Alexander stated during a title search of the property known as Patterson Park, it was discovered there was a Seminary Alley right of way that runs east and west over four separate developments. Patterson Park is a mixed use development on the eastside of Patterson Drive, south of 3rd Street. The other properties include Patterson Pointe, the City of Bloomington, and Stonebelt Employment Services. The Seminary alley measures 16 1/2 feet in width and is 1559 feet in length. This has gone undetected by several title searches in the past. This alley is not identified on the City's GIS mapping system. Planning has heard from all the utility companies, as well as the police department and fire department with no objections to the vacating of the right of way. Staff supports the request to vacate.

Alexander further stated the development will result in some new construction jobs and commercial jobs in portions of the development. The alley is not needed for any access to any of the four properties. All the properties have access or will have access from other public right of ways. Staff recommended approval.

Travis Vencel introduced himself. He said this was surprising and believed it was an alley that was originally platted originally with the Seminary. The descriptions at that time were not very distinct. Vencel stated he thinks for years local title companies have looked at the GIS system, gone out there and looked and found buildings there, and a quarry there and did not think an alley was there. In today's world the title company researching back, can find no place where it was ever vacated. It might have taken place in the City Council meeting that cannot be located.

McNamara stated the Board's action here is also subject to City Council approval. Mr. Vencel stated correct and they will take this to City Council on February 6th and 20th.

McNamara made a motion to approve request for vacation of

Seminary Lot Alley right of way. Hrisomalos seconded the motion. The motion passed. Alley vacation approved and will go before City Council for final approval.

Miah Michaelsen with ESD introduced herself. Michaelsen stated June 22, 2013 will be the 33rd year for the Arts Fair on the Square. It is the same day as the Taste of Bloomington, and the two events, along with the Saturday Farmers' Market, make for a major summer tourism event in downtown.

Resolution 2013-09: Use of Public Streets and Parking Spaces for Arts Fair on Square Event (Saturday, 6/22)

The Festival organizers requested closure of 6th Street between College and Walnut beginning at 5:30 a.m. on June 22nd. They also asked for three parking spaces on College Avenue, and three parking spaces on Walnut adjacent to the Monroe County Courthouse beginning at 2:00 p.m. on Friday, June 21st until 8:00 a.m. on Monday the 24th. This is for the placement of portable toilets and loading and unloading by vendors. Also requested for the event was a Noise Permit. Organizers have notified businesses on the north side of 6th Street about the street closure. Staff is supportive of this event and it is a major event in downtown during June.

McNamara made a motion to approve Resolution 2013-09: Use of Public Streets and Parking Spaces for Arts Fair on Square Event (Saturday, 6/22). Hrisomalos seconded the motion. The motion passed. Resolution 2013-09 approved.

Miah Michaelsen stated this is a community event which raises funds for and awareness of our homeless population. The walk will take place on Sunday, April 14. Walkers will start and end at Waldron, Hill & Buskirk Park. They requested the use of City sidewalks and would like to utilize four spaces on Lincoln next to the park for the day to park a refrigerator truck. The resolution also includes a waiver to the noise ordinance so speakers and music may be amplified in the park. There will also be some music along the route. Staff recommended approval.

Resolution 2013-10: Use of Public Sidewalks, Parking Spaces, and Approval of Noise Permit for Homeward Bound Event (Sunday, 4/14)

McNamara moved to approve Resolution 2013-10: Use of Public Sidewalks, Parking Spaces, and Approval of Noise Permit for Homeward Bound Event (Sunday, 4/14). Hrisomalos seconded the motion. The motion passed. Resolution 2013-10 approved.

Miah Michaelsen stated Jackie White has applied for an Itinerant Merchant Permit. It has been determined that when the applicant wants to operate in the right of way that before the permit is issued, permission must be obtained from the Board of Public Works. The Department of Economic & Sustainable Development has reviewed

Resolution 2013-11: Allow Itinerant Merchant to Operate in Public Right of Way (Gypsy Moon)

the application and the Board of Public Works' approval to operate in the public right of way is one of the items on the check list that is required before a permit can be issued. ESD will confirm that all rules and regulations have been met prior to a permit being issued. The business will operate from a food trailer. The permit is for one year.

Jackie White stated she will sell street food. Everything will be made on the truck and is homemade. White said she will have different kinds of funky tacos made with a braised coconut pork and chili chicken. There will be no ground beef in the tacos.

Zietlow asked Ms. White if she has done this before. Ms. White stated she has done this in Greene County and her goal was to come to Bloomington, but first she needed experience. She also stated she has done a few wine festivals. White stated she changes her menu because people will get tired of the same thing. She stated she likes to experiment and is a recipe collector.

Zietlow asked if she would be doing this at night. White stated she would like to do this at lunch, but maybe at night too.

McNamara made a motion to approve Resolution 2013-11: Allow Itinerant Merchant to Operate in Public Right of Way; Gypsy Moon. Hrisomalos seconded the motion. The motion passed. Resolution 2013-11 approved.

Rick Alexander stated Dr. Gammon owns the property at 2600 W. 3rd Street which is directly south of Fire Station #2, between Fairfield Drive and Yancy. His driveway exits out onto Yancy. Dr. Gammon intends to sell the property. In doing the title work it was determined that a small portion of the driveway where it leaves Yancy is on the fire station property. The area in question is pie shaped and is approximately 9 1/2 " across at its widest point.

Resolution 2013-12:
Request to Encroach onto
City Property with
Existing Driveway at
2600 W. 3rd Street from
Robert Gammon O.D.

Alexander further stated City Legal has reviewed the request and prepared an encroachment agreement to allow the driveway to remain as it is. The drive has very little impact on the fire station property. Staff recommended approval.

Dr. Gammon stated he would like to thank Vickie Renfrow who was extremely helpful and patient through this process.

Zietlow asked if Dr. Gammon was discontinuing his practice. Dr. Gammon stated he had sold the practice five or six years ago.

McNamara made a motion to approve Resolution 2013-12: Request to Encroach onto City right of way with existing driveway at 1600 W. 3rd Street from Robert Gammon, O.D. Hrisomalos seconded the motion. Motion passed. Resolution 2013-12 approved.

Alexander stated there are many construction projects going on in the 10th, 11th, Morton, College and Walnut area and advised people to be careful in those areas.

**STAFF REPORTS &
OTHER BUSINESS**

McNamara moved to approve claims. Hrisomalos seconded the motion. Claims approved.

**APPROVAL OF
CLAIMS**

McNamara moved to adjourn the meeting. Hrisomalos seconded the motion. Meeting adjourned at 6:35 p.m.

Board of Public Works Staff Report

Project/Event: Itinerant Merchant in right of way

Petitioner/Representative: Andrew Olanoff – The Tamale Cart

Staff Representative: Miah

Meeting Date: February 26, 2013

Andrew Olanoff has applied for an Itinerant Merchant Permit. It has been determined that when the applicant wants to operate in the right of way that before the permit is issued, permission must be obtained from the Board of Public Works. The Department of Economic & Sustainable Development has reviewed the application and the Board of Public Works' approval to operate in the public right of way is one of the items on the check list that is required before a permit can be issued. ESD will confirm that all rules and regulations have been met prior to a permit being issued.

The business will operate from a food cart.

This application is for one year.

Staff is supportive of the request.

Recommend **Approval** **Denial by** Miah Michaelsen

RESOLUTION 2013-13
Itinerant Merchant Food Vendor in Public Right of Way
Andrew Olanoff – The Tamale Cart, LLC

WHEREAS, the Board of Public Works is empowered by I.C. 36-9-6-2 to supervise City streets, alleys, sewers, public grounds, and other City property; and

WHEREAS, Andrew Olanoff (“Vendor”) is desirous of using public on-street parking and sidewalks within the City of Bloomington for the purpose of selling food via a mobile kitchen and food cart; and

WHEREAS, Vendor has agreed to hold the City of Bloomington, City of Bloomington Board of Public Works, or any of their agents or employees harmless for any and all actions, losses or claims arising from said event, a copy of which is attached hereto and made a part hereof;

NOW, THEREFORE, BE IT RESOLVED that the City of Bloomington Board of Public Works declares that Vendor has permission to use on-street public parking and sidewalks for the purposes of selling food via a mobile kitchen for one year beginning on the day that License is issued by the City _____, 2013 thru _____ 2014.

The following conditions attach to this approval:

1. Vendor agrees to maintain a clear five-foot path for pedestrians at all times.
2. Vendor will comply with all other laws, ordinances, rules and regulations in effect at the time it conducts their business.
3. Vendor will have obtained a valid Itinerant Merchant license issued by the City of Bloomington Controller’s Office prior to operation on City property.
4. Vendor shall not conduct business on the same side of the street and within fifty (50) feet of a primary entry way into a ground level retail establishment which offers the same types of goods, wares, services, foods, or products.
5. Vendor shall honor parking restrictions as posted for any parking spot that they may utilize, but may not park in a street median strip or an alleyway.
6. Vendor shall locate his business a reasonable distance from any posted bus stop, taxi stand, crosswalk, driveway, alleyway, building entrance or walk-up window.
7. Vendor shall locate his business a reasonable distance from another mobile kitchen, food cart or food stand.
8. Vendor shall not locate his business in front of the primary entrance to a retail business, office building or church.
9. Vendor shall not locate his business on the following portions of the B-Line Trail:
 - a) From the north side of Country Club Road to the south side of Dodds Street;
 - b) From the north side of 2nd Street to the south side of 3rd Street; and
 - c) From the north side of 4th Street to the south side of 6th Street.
10. Vendor shall not locate his business within a one block radius of the following special events during the hours of their operation unless prior written consent has been provided by the coordinator or director of the special event:
 - a) City of Bloomington Farmers’ Market;
 - b) City of Bloomington Holiday Market;
 - c) The Taste of Bloomington;
 - d) Lotus World Music and Arts Festival;

RESOLUTION 2013-13

- e) The Fourth Street Festival;
 - f) Arts Fair on the Square;
 - g) Strawberry Festival;
 - h) Canopy of Lights;
 - i) Fourth of July Parade; and
 - j) Any other special events approved by the City Controller.
11. Vendor may locate his business in a public parking space according to parking restrictions for that space including Bloomington Municipal Code section 15.32 which is attached as Exhibit A of this document.
 12. Vendor shall not locate his business in a manner which would significantly impede or prevent the use of any City of Bloomington property, or which would endanger the safety or property of the public.
 13. Vendor shall conduct their business in accordance with the Standards of Conduct noted in Bloomington Municipal Code section 4.16.100.

This approval may be renewed by the Director of Public Works no more than once a year provided Vendor has complied with all conditions of this approval; complied with all applicable laws, ordinances, rules and regulations; and the City has received no valid complaints regarding Vendor's activities associated with this approval.

ADOPTED THIS _____ DAY OF _____, 2013.

Board of Public Works Staff Report

Project/Event: Noise Permit and Parking for Community Art Fair at Waldron, Hill & Buskirk Park

Petitioner/Representative: Community Art Fair – Chris Martin

Staff Representative: Miah

Meeting Date: February 26, 2013

The Community Art Fair and Garlic Fest is producing an art fair in Waldron, Hill & Buskirk Park for the purpose of promoting local art and food. They have requested a noise permit for Friday, Saturday & Sunday, August 30, 31 and September 1 during the hours of 10:00 a.m. and 8:00 p.m. so that amplified music may be played. Their reservation of Waldron, Hill & Buskirk Park is pending BPW approval of the noise permit and Parks' approval.

They have also requested to reserve 12 parking spaces on Lincoln Street adjacent to the Park for food vendors. Staff recommends 7 parking spaces, an increase over the 5 spaces they were granted last year. The spaces would be reserved from 8:00 a.m. until 6:00 p.m. on each day for their use.

Recommend **Approval** **Denial by Miah Michaelson**
