City of Bloomington, Indiana
Geographic Information System

This map was produced by the City of Bloomington GIS, for use by the City and general public as map information. The topographic and planimetric information is based on aerial photography flown in March 1991 and March 1992. Updates from aerial orthotopography took place in April 1998, April 2005, March 2006, and April 2010. Information is updated by GIS technicians from development drawings, plats, and other sources. The accuracy of information contained in this document is based on National Mapping Standards, however it is NOT warranted.

The Corporation boundary reflects annexations effective January 1, 2012.
