

ADDENDUM NO. 1

To The

Exhibit A-Scope of Services

For The

2015 Street Department Contract Paving Project

East Moores Pike from South Valley Forge Road to South College Mall Road

Issued From: Department of Public Works
Post Office Box 100
401 N. Morton Street
Bloomington, Indiana 47404

Addendum Issued Date: July 21, 2015

Quote Submission Date: July 28, 2015

This Addendum shall amend and become a part of the original scope of services located within Exhibit A.

Item No. 1: 3.0 Special Provisions

The mixture type has been amended from Type C to **Type B**. The amended mixture type shall become part of the original scope of services as follows:

Mixture Type: The mixture types shall be Type B as shown on the Unit Bid Sheet. HMA mixtures shall be produced in accordance with 402.05.

Surface Aggregate Type: For Type B mixtures, surface aggregates shall meet the requirement for less than 10,000,000 ESAL in 904.03 (d).

Item No. 2: Section 4.0 Instruction to Quotes

The type of instruction has been amended from bids(s) to quote(s). The amended type of instruction shall become part of the original scope of services as follows:

4.1 Each quoter shall be responsible for inspecting the project sites and verifying any measurement stated in project specifications.

*4.2 Has been **removed** from the original scope of services because unit pricing and State Board of Accounts Form No. 96 is not required for this quote.*
