**QUESTIONS AND RESPONSES**  
**Addendum #2**

Question Number	RFP Section (if applicable)	Question	Response
1	1.3	Can you confirm that the primary project staff member is required to be the certifying professional for the project (i.e. a registered architect or professional engineer). If so, does this team member also need to be a LEED AP or can another person on the team be the LEED AP?	A LEED certified team member is acceptable as long as the team member is assigned to review this project.
2	2.2.6	The requirement asked for audited financial statements; are "reviewed" financial statements acceptable if conducted by a CPA?	Yes, CPA reviewed financial statements are acceptable.
2a	2.2.6	When you request financial statements, is that just from the lead firm or from them and all of their consultants?	Financial Statements are only required from the lead firm.
