15-01	TO DESIGNATE AN ECONOMIC DEVELOPMENT TARGET AREA (EDTA) - RE: PROPERTY LOCATED AT 338 S. WALNUT STREET AND IDENTIFIED BY THE MONROE COUNTY PARCEL ID NUMBER 015-47812-00 (BIG O PROPERTIES, LLC, PETITIONER)	tax abatement	no	2/11/2015	4- (Granger, Mayer, Sandberg, Sturbaum) 1- (Spechler) 4 (Neher, Rollo, Ruff, Volan)	2/18/2015	8-1 (Spechler)	This ordinance designates a parcel owned by Big O Properties LLC and known as 338 S. Walnut Street as an Economic Development Target Area (EDTA). This designation was recommended by the Economic Development Commission and will enable the proposed mixed use redevelopment project, which includes retail/commercial space and upper-story market-rate residential units, to be eligible for tax abatement. Final approval of the real estate property tax abatement for the project will also require the adoption of an initial and confirming resolution, which must designate the lot as an Economic Revitalization Area (ERA), approve the statement of benefits, and authorize periods of abatement and a schedule of deduction.

15-04	TO AMEND TITLE 7 OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "ANIMALS" Re: Making Various Housekeeping Changes, Creating Three Classifications of "Potentially Dangerous" Animals, Adding New Disclosure Requirements, Putting Additional Restrictions on the Practice of Tethering, Adding New Anti-Cruelty Provisions, Creating a New Violation of "Habitual Offender," and Other Changes	animal care	yes	4/1/2015	8-0-0	4/8/2015	9-0	The primary purpose of this ordinance is to streamline Title 7 so that it is more reader friendly, easier for staff to use, and more consistent with other titles in the municipal code. Examples of the streamlining attempt include creating one Chapter to handle all of the Titles fees; creating one Enforcement Chapter; and removing the regulations for potentially dangerous and vicious dogs from the Restraint Chapter and putting them into their own Chapter. Substantive changes include the following: adding three levels to the classification of potentially dangerous; clarifying what reptiles cannot be owned in Bloomington; adding language that requires permittees and breeders to disclose if they have ever been cited for an animal care or control ordinance violation; modifying the definition of a vicious animal; making it unlawful for a person to torture or beat an animal if it causes the animal pain (and not just injury as currently required); adding new tethering requirements; and creating a new violation entitled "Habitual Offender".

15-05	TO AMEND TITLE 4 OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "BUSINESS LICENSES AND REGULATIONS" - Re: Chapter 4.16 (Itinerant Merchants, Solicitors and Peddlers – deleted and replaced); Chapter 4.28 (Mobile Vendors - added); and Chapter 4.30 (Pushcarts - added) AS AMENDED by amendments #1 and #3.	busniess regulations	yes	3/11/2015	1-0-8 (Spechler)	3/25/2015	8-1 (Ruff)	<p>This ordinance does three things. First, it repeals the chapter regulating itinerant merchants, solicitors and peddlers and replaces it with a chapter regulating only solicitors. Solicitors have been defined to mean a person who requests anything of value for the taking of orders of goods or the immediate delivery of goods. Second, it adds a new chapter to the Title which regulates the licensing of mobile food vendors. Third, it adds a new chapter to the Title which regulates the licensing of pushcart operators. The purposes of these changes are twofold: (1) to streamline the current licensing and permitting process for these types of activities; and (2) to encourage, within necessary perimeters, the development of smaller businesses that enhance the community.</p> <p><i>Please note that the ordinance comes forward as a result of Council consideration of Ord 14-24 over a course of meetings held in late fall of 2014. After adoption of some amendments and discussion of others, the Council adopted a motion to table the ordinance and consider another ordinance in the first quarter of 2015 that reflected the discussions in 2014. This ordinance incorporates additional changes to Title 4 as a result of those deliberations.</i></p>
	Amendment #1			n/a	n/a	3/25/2015	9-0	<p>This amendment to Ord 15-05 is sponsored by Cm. Neher. It adds two Whereas clauses requesting that the Administration explore opportunities for food trucks and pushcarts to congregate on public and private property, evaluate the feasibility, costs and benefits of that kind of initiative, and report its findings and recommendations back to the Council in a reasonable period of time. While the ordinance opens opportunities for food trucks and pushcarts to operate in these areas, the Council foresees benefits in having them congregate and requested that the Administration look into and report upon its prospects.</p>
	Amendment #2 FAILED			n/a	n/a	3/25/2015	3 (Ruff, Rollo, Spechler)-6 (Nehre, Granger, Mayer, Sandberg, Sturbaum, Volan)	<p>This amendment is sponsored by Councilmember Rollo. The ordinance prohibits mobile food vendor units and pushcarts (which sell food or beverages) from operating within a fifty-foot area of any ground level establishment also selling food or beverages. With this amendment, the distance restriction only applies from an hour before the opening time to an hour after the closing time posted by a ground level establishment on the façade of its building.</p>
15-06	TO AMEND TITLE 20 OF THE BLOOMINGTON MUNICIPAL CODE ENTITLED "UNIFIED DEVELOPMENT ORDINANCE" (Amending Sections 20.05.110 & 20.05.111 Regarding Temporary Uses and Structures)	Title 20	yes	3/11/2015	8-1 (Volan)	4/1/2015	9-0	<p>This ordinance does three things. First, it aligns the Unified Development Ordinance with the newly amended Title 4 by making it clear that those solicitors, mobile food vendors, and pushcart operators licensed by the City only need to obtain a license, they no longer need to obtain both a license and a Temporary Use Permit. Second, it extends the period of time seasonal farm produce can be sold under a Temporary Use Permit from sixty days to one hundred and eight days. Third, it regulates book buybacks in that property owners must obtain a Temporary Use Permit to hold such a sale, and those sales are limited to no more than two times per year, with each time lasting no more than seven days (or one single sale per year that lasts no more than fifteen consecutive days).</p>

Second, it updates the Title to reflect changes in the Indiana Code prescribing requirements for performance bonds. Third, it updates the definition of "fraternity/sorority house" to make it clear that any such house is defined as one that only permits Indiana University, Bloomington students and is officially recognized by the University. Fourth, it amends the Title such that all references to the City of Bloomington Survey of Historic Sites and Structures are consistent.
15-27	To Amend Title 15 of the Bloomington Municipal Code Entitled "Vehicles and Traffic" - Re: Stop, Multi-Stop, Yield, and Signalized Intersections; Turning Right on Red; School Speed Zones; Angled Parking, No Parking, Limited Parking, Loading, and Bus Zones; and, Accessible Parking for Persons with Disabilities	Title 15	yes	12/9/2015	8-0	12/16/2015	7-0 (Volan, Neher Absent)	This ordinance seeks to amend several sections of Title 15 of the Bloomington Municipal Code in order to make changes suggested by the following: City of Bloomington Planning & Transportation Department; City of Bloomington Police Department; City of Bloomington Fire Department; Bloomington Transit; and the City of Bloomington Traffic Commission. Additional changes include the following: adding a no right turn at a signalized intersection; adding a new school speed zone near Fairview Elementary; adding new no parking locations on North and South Dunn Street; adding new limited parking zones to primarily accommodate new developments; codifying an existing loading zone; adding in new bus zones on 7th Street to meet the needs of Bloomington Transit Corporation; and adding an accessible parking space at a new development on North College Avenue.

This shift is informed by changing judicial and agency interpretation of the laws protecting these categories. Such changing interpretations increasingly locate sexual orientation discrimination and gender identity discrimination within the protected category of sex discrimination. Location of these classes within the protected category of sex provides the City with a defensible position in calling for mandatory, rather than voluntary, compliance with the Bloomington Municipal Code's prohibition against sexual orientation discrimination and gender identity discrimination.
