### **The City of Bloomington Utilities Lifts Precautionary Boil Water Advisory Issued on November 5**

The City of Bloomington Utilities has lifted the precautionary boil water order advisory issued for some of its customers on Thursday, November 5, following the repair of a water main break on South Oakdale Drive. It is no longer necessary for residents in the **Oakdale Square** and **Hidden Hills** apartment complexes to boil their drinking water for five minutes prior to consumption.

For more information, customers of the City of Bloomington Utilities can call 812-339-1444.
