

PROJECT COMMENT FORM

The City of Bloomington is committed to keeping the community informed and engaged throughout the 4th Street and Rogers Street Crossing Improvement Project. Before a design alternative is selected, the City will consider all public input. Comments may be submitted at the City's Planning & Transportation Department located within City Hall at 401 N. Morton Street, Ste. 130 or via email to koppem@bloomington.in.gov. For more information please visit the project website bloomington.in.gov/4thRogers. Please submit all comments by May 4th, 2016.

DESIGN ALTERNATIVES

Please score each design alternate individually on a scale 1-10, where 10 indicates you like and/or support the alternative and 1 indicates you dislike and/or do not support the alternative. You may also provide specific comments to support your selection.
