Addendum # 3

TRUCK MOUNTED REGENERATIVE AIR SWEEPER

Question Number	Section Number (if applicable)	Question	Response
1	#12 (pg. 4 of 11)	Work lights on each gutter broom and rear broom were requested. A rear broom was not listed in the specifications.	Disregard this request. The unit has no rear main broom, so a light will not be required.
2	#17b (pg. 6 of 11)	Work lights, 2 regular work lights and 2 LED work lights. Do you want both sets or one?	The two regular work lights in the 9th paragraph could/should be eliminated. These work lights are also mentioned in #12, 5th paragraph.
3	#28 (pg. 11 of 11)	Rear camera requested on page 5 under section #17. Is this a duplicate request?	Yes, this was a duplication error.
4	#32 (pg. 11 of 11)	The in cab dump switch was already requested on page 9, section #22b. Is this a duplication?	Yes, this was a duplication error.
