At the election of the Bondholders and in lieu of the Redemption aforesaid, the interest rate on the Bonds may be adjusted to rate sufficient to place the Bondholder in the _____ after tax position as existed prior to the Determination of Taxability.

(C) Mandatory Redemption of the Bonds on Sale of the Project. At the option of the Bondholder, the Bonds are subject to Mandatory redemption, in whole, without premium, in the event that the Real Estate and the Project are sold to a person or entity not controlled, in whole or in part, by the Borrower.

(D) Extraordinary Optional Redemption of the Bonds. The Bonds may be redeemed upon the occurrence of (i) condemnation of the Mortgaged Property or (ii) loss or damage covered by any policy of insurance required by the Loan Agreement which, at the time of either occurrence, is sufficient to render the Mortgaged Property inoperable for a period of time such that a Loan Payment cannot be made. The Redemption Date shall be set after the Trustee receives condemnation proceeds, insurance proceeds or other moneys sufficient to redeem all Outstanding Bonds. The proceeds of such condemnation or insurance received by the Trustee shall be used to redeem the Bonds. Under such circumstances, the Bonds shall be redeemed at the principal amount together with accrued interest to the Redemption Date.

(E) Mandatory Redemption of the Bonds from Unspent Proceeds. Upon the earlier of the completion of the Project, as evidenced by a Certificate of Completion executed by the

architect or the engineer, or the date which is three (3) years after the date hereof, the Bonds shall be redeemed on any Payment Date prior to the expiration of said three (3) year period or the date three (3) years after the original issue date of the Bonds in whole or in part from moneys remaining in the Construction Account on such date.

(A) When the Trustee shall receive notice from the Issuer of its election to redeem any Bonds (which notice shall be given to the Trustee by the Issuer at least 30 days prior to the Redemption Date) or when the Issuer is required to redeem Bonds pursuant to the provisions hereof, the Trustee shall give notice of the redemption of such Bonds, unless waived by any Owner of Bonds to be so redeemed. Such notice shall specify the principal amount of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable. Such notice shall further state that on such date there shall become due and payable upon each of the Bonds to be so redeemed, the Redemption Price thereof together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice, postage prepaid, by first-class mail, not less than 30 days nor more than 45 days before the Redemption Date to the Owners of the Bonds which are to be redeemed, at their last addresses appearing upon the Bond Register, unless waived by the Owners of the Bonds.

(B) Failure to give any notice described above for optional or mandatory redemption by mailing or any defect therein with respect to any Bond, shall not affect the validity of any proceedings for the redemption of other Bonds. All Bonds so called for redemption will cease to bear interest on the specified Redemption Date, and shall no longer be protected by this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture, provided that funds for their redemption are on deposit at the place of payment at that time.

Section 3.03. Payment of Redeemed Bonds. Notice having been given by mail in the manner provided in Section 3.02, the Bonds so called for redemption shall become due and payable on the Redemption Date at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be redeemed at the Redemption Price plus interest accrued and unpaid to the Redemption Date. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with accrued interest to the Redemption Date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then from and after the Redemption Date interest on the Bonds or portions thereof so called for redemption shall cease to accrue and be payable and the Bonds shall be deemed paid.

Section 3.04. Payment for Bonds Not Tendered for Redemption. Moneys in the Redemption Account shall be paid to the Borrower five years after the Redemption Date specified in the notice of redemption given to any Owner if the Bond or Bonds described in the notice of redemption have not been tendered for redemption. Section 6.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer and the Borrower, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the request of the Issuer and the Borrower, or of its successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer or the Borrower be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer or the Borrower. Upon the effectiveness of the resignation or removal of the Trustee, such Trustee's authority to act pursuant to this Indenture shall terminate and such Trustee shall have no further responsibility or liability whatsoever for performance under this Indenture as Trustee.

Section 6.11. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to the Trustee and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 6.12. Adoption of Authentication. If any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds, if said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee, and in all such cases such certificate shall have the full force for which it is intended and the Bonds so authenticated shall be deemed Bonds issued pursuant to this Indenture.

Section 6.13. Evidence of Signatures of Owners and Ownership of Bonds. (A) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its sole discretion require further or other proof in cases where it deems the same desirable of the fact and date of the execution by any Owner of the Bonds or his attorney of such instrument may be proved by the Certificate, which need not be acknowledged or verified, of an officer of a bank or trust company, financial institution or member of the National Association of Securities Dealers, Inc. satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Owner of the Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

(B) The ownership of Bonds and the amount, numbers, and other identification, and date of holding the same shall be proved by the Bond Register.

(C) Any request, consent or vote of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Issuer or the Trustee in accordance therewith.

Section 6.14. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture (or microfilm, microcard or similar photographic reproduction thereof) shall be retained in its possession until such time as the Trustee in consultation with the Issuer determines that the retention thereof is no longer necessary, and shall be subject at all reasonable times to the inspection of the Issuer and any Owner of the Bonds and their agents and their representatives, any of whom may request copies thereof, at the expense of the requesting party.

Section 6.15. Powers of Trustee Under the Loan Agreement. The Issuer agrees that the Trustee shall at any and all times have the power to exercise any of the rights, powers and privileges of the Issuer under the Loan Agreement, including but not limited to the right (i) to grant consents, approvals or permissions, (ii) to declare a default, (iii) to exercise any and all remedies provided for therein, and (iv) to perform the Issuer's covenants.

Section 6.16. Trustee's Relationship to the Issuer. (A) The Trustee acknowledges that the Issuer is a passive conduit for the financing contemplated by this Indenture. The Trustee, by execution of this Indenture, has assumed all the responsibilities, if any, required of the Issuer by the covenants in the Loan Agreement and Note. The Trustee shall act as a prudent man in any case of default under the Loan Agreement or the Note. The Trustee will keep the Issuer fully advised with respect to any default which may occur under said documents, and will provide the Issuer with any information it may reasonably request regarding any Events of Default or alleged Events of Default.

(B) The Trustee agrees to provide the Issuer with any financial or other information it may reasonably request relating to the Borrower, Indenture, Loan Agreement or Note which the Issuer finds necessary or desirable on a timely basis.

(C) The Trustee will disclose to the Issuer each calendar year the total amount of fees charged by the Trustee to the Borrower for performing its duties hereunder.

ARTICLE VII

DEFAULT AND REMEDIES

Section 7.01. Events of Default. The happening of one or more of the following events shall constitute an "Event of Default":

(A) If default shall be made in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable;

(B) If the Issuer shall have defaulted in the performance or observance of any other of the covenants, agreements or conditions contained in this Indenture or in the Bonds, and such default shall have continued for a period of 60 days after written notice thereof, specifying such

default and requiring the same to be remedied, shall have been given to the Issuer by the Trustee, or to the Issuer and the Trustee by the Owners of not less than 50% in aggregate principal amount of the Outstanding Bonds;

Section 7.02. Tender of Payment after Default. Upon an Event of Default and following the acceleration of the indebtedness secured hereby, as herein provided, a tender of payment of the amount necessary to satisfy the entire indebtedness secured hereby made at any time prior to foreclosure sale by the Issuer or by anyone in behalf of the Issuer, shall constitute an evasion of the prepayment terms of the debt secured hereby and be deemed to be a voluntary prepayment thereunder and any such payment shall be at the Redemption Price set forth in Section 3.01.

Section 7.03. Acceleration. In each and every case of an Event of Default, and during the continuance of such Event of Default, the Trustee may by notice in writing to the Issuer, and shall upon the written request of the Owners of not less than 25% in principal amount of the Outstanding Bonds, declare the principal of all the Outstanding Bonds, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding.

This provision, however, is subject to the condition that if at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered as hereinafter provided, the Issuer shall pay to or shall deposit with the Trustee a sum sufficient to pay all principal of the Bonds matured prior to such declaration and all matured installments of interest, if any, upon all the Bonds, with interest at the rate borne by the Bonds on such overdue principal and premium, if any, and, to the extent legally enforceable, on such overdue installments of interest, and the reasonable expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of principal and of interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured or adequate provision shall have been made therefor, then and in every such case, the Owners of at least 66% in aggregate principal amount of the Outstanding Bonds, by written notice to the Issuer and to the Trustee, may, on behalf of the Owners of all Bonds, rescind and annul such declaration and its consequences but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Section 7.04. Remedies. The Trustee, in case of an Event of Default, may:

(A) Proceed to protect and enforce its rights and the rights of the Owners of the Bonds under this Indenture by sale pursuant to judicial proceedings (including the sale of the Note and assignment of the Loan Agreement) or by a suit, action, or proceeding in equity or at law or otherwise, whether for the specific performance of any covenant or agreement contained in this Indenture or in aid of the execution of any power granted in this Indenture or for the enforcement of any other legal, equitable, or other remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or the Owners of the Bonds;

(B) By action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Owners of the Bonds and to take such action with respect to the Note and the Loan Agreement as the Trustee shall deem necessary or appropriate and in the best interest of the Owners of the Bonds, subject to the terms of the Note and the Loan Agreement;

(C) Obtain the appointment of a receiver or receivers of the Trust Estate and of the Revenues with such powers as the court making such appointment shall confer; and

(D) Pursue those remedies both legal and equitable available to the Trustee.

Section 7.05. Incidents of Sale. Upon any sale of any of the Trust Estate pursuant to Section 7.04 hereof, whether made under the power of sale hereby given or pursuant to judicial proceedings, to the extent permitted by law:

(A) The principal of and accrued interest on all Outstanding Bonds, if not previously due, shall at once become and be immediately due and payable;

(B) Any Owner or the Trustee may bid for and purchase the property offered for sale, and upon compliance with the terms of sale may hold, retain, possess or dispose of such property, without further accountability, and may, in paying the purchase money therefor, deliver any Outstanding Bonds or claims for interest thereon in lieu of cash to the amount which shall, upon distribution of the net proceeds of such sale, be payable thereon, and such Bonds, in case the amounts so payable thereon shall be less than the amount due thereon, shall be returned to the Owners thereof after being appropriately stamped to show partial payment;

(C) The Trustee may make and deliver to the purchaser or purchasers a good and sufficient deed, bill of sale, and instrument of assignment and transfer of the property sold;

(D) The Trustee is hereby irrevocably appointed the true and lawful attorney of the Issuer, in its name and stead, to make all necessary deeds, bills of sale, and instruments of assignment and transfer of the property thus sold; and for that purpose it may execute all necessary deeds, bills of sale, and instruments of assignment and transfer, and may substitute one or more persons, firms, or corporations with like power, the Issuer hereby ratifying and confirming all that its said attorney or such substitute or substitutes shall lawfully do by virtue hereof; but if so requested by the Trustee or by any purchaser, the Issuer shall ratify and confirm any such sale or transfer by executing and delivering to the Trustee or to such purchaser or purchasers all proper deeds, bills of sale, instruments of assignment and transfer, and releases as may be designated in any such request;

(E) All right, title, interest, claim and demand whatsoever, either at law or in equity or otherwise, of the Issuer of, in, and to the property so sold shall be divested and such sale shall be a perpetual bar both at law and in equity against the Issuer, its successors and assigns and against any and all persons claiming or who may claim the property sole or any part thereof from, through, or under the Issuer, its successors and assigns; and

(F) The receipt of the Trustee or of the officer making such sale shall be a sufficient discharge to the purchaser or purchasers at such sale for his or their purchase money and such purchaser or purchasers and his or their assigns or personal representatives shall not, after paying such purchase money and receiving such receipt, be obliged to see to the application of such purchase money, or be in anywise answerable for any loss, misapplication, or non-application thereof.

Section 7.06. Covenant to Pay Trustee Amounts Due on Bonds and Right of Trustee to Judgment. The Issuer covenants that, if default is made in the payment of any principal, premium or interest on any Bond as the same become due; or then upon demand of the Trustee, the Issuer will pay to the Trustee for the benefit of the Owners of such Bonds, but solely from the sources from which the principal of, premium, if any, and interest on such Bonds are payable pursuant to the terms hereof, the whole amount then due and payable on such Bonds for principal, premium, if any, and interest, with interest at the respective rate or rates prescribed therefor in the Bonds on overdue principal, premium, if any, and, in addition thereto, but solely from such sources, such further amount as shall be sufficient to pay the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel. If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled to sue for and recover judgment against the Issuer and any other obligor on the Bonds for the whole amount so due and unpaid to the extent of such sources.

Section 7.07. Application of Sale Proceeds. The proceeds of any sale shall be deposited in the Revenue Account, and all moneys in the Revenue Account shall be applied by the Trustee as follows:

(A) To the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and the reasonable compensation of the Trustee, its agents and counsel, and of all proper expenses, liabilities and advances incurred or made hereunder by the Trustee or by any Owner or Owners of the Bonds, and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior liens subject to which said sale may have been made; then

(B) To the payment of the whole amount then owing or unpaid upon the Bonds for principal, interest, and to the extent permitted by law, interest on overdue principal, premium and interest, at the rate of interest borne by the Bonds and in case such proceeds shall be insufficient to pay the whole amount so due and unpaid on the Bonds, then to the payment of such principal, premium, if any, and interest, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest, ratably, in proportion to the aggregate of such principal and accrued and unpaid interest; and then

(C) To the payment of the surplus, if any, to the Borrower, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

Section 7.08. Waiver of Rights on Foreclosure. The Issuer, for itself and for all who may claim through or under it, hereby expressly waives and releases all rights to have the

property covered by the lien of this Indenture marshalled upon any foreclosure sale (the Trustee or any court in which the foreclosure of this Indenture is sought shall have the right to sell the pledged property as an entirety in a single parcel in the discretion of the Trustee) and the Issuer covenants that, to the extent permitted by law, it will not at any time insist upon or plead, claim or take any benefit or advantage of any stay or extension law or laws providing for the valuation or appraisal of the pledged property prior to any sale thereof, nor after any such sale, claim or exercise any right to redeem the property so sold, and the Issuer, to the extent permitted by law, hereby expressly waives for itself and on behalf of each and every person claiming by, through or under the Issuer all benefit and advantage of any such law.

Section 7.9. Waiver Not to Impair Subsequent Rights. No delay or omission of the Trustee or of any Owner of any of the Bonds to exercise any right or power arising from any default on the part of the Issuer hereunder shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Trustee or Owners of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or impair the rights resulting therefrom, except as may be otherwise provided herein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing.

Section 7.10. Control of Proceedings. No Owner shall have any right to institute or prosecute any suit or proceeding at law or in equity or for the foreclosure hereof, for the appointment of a receiver of the Issuer, for the enforcement of any of the provisions hereof or of any remedies hereunder in respect to the pledged property unless the Trustee, after a request in writing by the Owners of 25 percent in aggregate principal amount of the Outstanding Bonds, and after the Trustee shall have been assured such reasonable indemnity as it may require, shall have neglected for 60 days to take such action; provided, however, that the right of any Owner of any Bond to receive payment of principal and/or interest on or after the respective due dates expressed therein, or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the consent of such Owner.

Section 7.11. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to the Issuer or any other obligor upon the Bonds or the property of the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Bonds shall then be due and payable, as therein expressed or by declaration or otherwise, and irrespective of whether the Trustee shall have made any demand on the Issuer or the Borrower for the payment of overdue principal, premium, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(A) To file and prove a claim for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Outstanding Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel) and of the Owners allowed in such judicial proceeding, and

(B) To collect and receive any money or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is hereby authorized by each Owner of Bonds to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Owners, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.05.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner of Bonds any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner of Bonds in any such proceeding.

Section 7.12. Trustee May Enforce Claims Without Possession of Bonds. All rights of action and claims under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Owners of the Bonds in respect of which such judgment has been recovered.

Section 7.13. Limitation on Suits. No Owner of any Bond shall have any right to institute any proceeding, judicial or otherwise, under or with respect to this Indenture, or for the appointment of a receiver or trustee or for any other remedy hereunder, unless:

(A) A default has occurred, and

(B) Such default shall have become an Event of Default and the Owners of not less than 25% in aggregate principal amount of the Outstanding Bonds shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder, and

(C) Such Owner or Owners shall have offered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request, and

(D) The Trustee for 60 days after the receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding, and

(E) No direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Owners of a majority in aggregate principal amount of the Outstanding Bonds.

No one or more Owners of Bonds shall have any right in any manner whatever by virtue of any provision of this Indenture to affect, disturb, or prejudice the rights of any other Owners of Bonds, or to obtain or to seek to obtain priority or preference over any other Owners or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Outstanding Bonds.

Section 7.14. Unconditional Right of Owners to Receive Principal, Premium and Interest. Notwithstanding any other provision of this Indenture, the Owner of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of, premium, if any, and interest on such Bond on the dates expressed in such Bond (or, in the case of redemption, on the Redemption Date), but solely from the sources from which such principal, premium, if any, and interest are payable pursuant to the terms of such Bonds, and the Owner of any Bond shall have the right to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Owner.

Section 7.15. Restoration of Positions. If the Trustee, the Issuer or any Owner of a Bond has instituted any proceeding to enforce any right or remedy under this Indenture by appointment of receiver or otherwise and such proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee, the Issuer or to such Owner, then and in every such case the Issuer, the Trustee and the Owners shall, subject to any determination in such proceeding, be restored to other former positions hereunder, and thereafter all rights and remedies of the Trustee, the Issuer and the Owners shall continue as though no such proceeding had been instituted.

Section 7.16. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or the Owners of the Bonds is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.17. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Owner of any Bond to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or the Owners of the Bonds may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or such Owners, as the case may be.

Section 7.18. Control by Owners of Bonds. The Owners of a majority in aggregate principal amount of the Outstanding Bonds shall have the right, during the continuance of an Event of Default:

(A) To require the Trustee to proceed to enforce this Indenture, either by judicial proceedings for the enforcement of the payment of the Bonds or otherwise; and

(B) To direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee hereunder, provided that:

(1) such direction shall not be in conflict with any rule of law or this Indenture, and

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Owners not taking part in such direction, provided that the Trustee shall not be liable for any adverse consequences of any such determination made in good faith or for not making such determination where such is done in good faith.

Section 7.19. Waiver of Past Defaults, Notice of Default. The Trustee may waive any Event of Default under Section 8.01(C), hereof and its consequences (unless the Bonds have been accelerated) and shall do so (unless all Bonds have been accelerated) upon the written request of the Owners of (a) more than two-thirds in aggregate principal amount of all the Bonds then Outstanding in the case of a default in the payment of principal or interest for a period of five days or (b) a majority in aggregate principal amount of all Bonds then Outstanding in the case of any other default; provided, however, that there shall not be waived (i) any default in the payment of the principal of any Outstanding Bond at the date of maturity specified therein or (ii) any default of the payment when due of the interest on any Outstanding Bonds, and (iii) all expenses of the Trustee in connection with such default, and in the case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon. No such waiver shall affect the rights of third parties to payment of the amounts provided for hereunder.

Anything herein to the contrary notwithstanding, no default under Section 7.01(B) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to the Issuer by the Trustee or the Owners of not less than 25% in aggregate principal amount of all Bonds then Outstanding, the Issuer shall have had sixty days after receipt of such notice to correct the default or cause the default to be corrected, and the Issuer shall not have corrected the default or caused the default to be corrected within the applicable period; provided, however, if the default be such that cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Issuer within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice is given to the Issuer under the provisions of this Section, the Issuer hereby grants the Trustee full authority for the account of the Issuer to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the Issuer with full power to do any and all things and acts of the same

extent that the Issuer could do and perform any such things and acts and with power of substitution.

Section 7.20. Undertaking for Costs. All parties to this Indenture agree, and each Owner of any Bond by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Owner or group of Owners owning in the aggregate more than 10% in principal amount of the Outstanding Bonds or to any suit instituted by any Owner for the enforcement of the payment of the principal of, premium, if any, or interest on any Bond on or after the same become due (or in the case of redemption, on or after the Redemption Date).

Section 7.21. Waiver of Appraisal and Other Laws. To the full extent that it may lawfully so agree, the Issuer will not at any time insist upon, plead, claim or take the benefit or advantage of any appraisal, valuation, stay, extension, or redemption law now or hereafter in force in order to prevent or hinder the enforcement of this Indenture under this Article; and the Issuer, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws.

If any law in this Section referred to and now in force, of which the Issuer or its successor or successors might take advantage despite this Section, shall hereafter be repealed or ceased to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section.

Section 7.22. Suits to Protect the Trust Estate. The Trustee shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Indenture and to protect its interests and the interests of the Owners of the Bonds in the Trust Estate, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule, or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule, or order would impair the security hereunder or be prejudicial to the interests of the Owners of the Bonds or the Trustee.

Section 7.23. Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Indenture invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

ARTICLE VIII

EVIDENCE OF RIGHTS OF OWNERS

Section 8.01. Instruments of Consent. Any request, consent or other instrument required by this Indenture to be signed and executed by Owners may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Owners in person or by an agent duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the Issuer if made in the manner provided in this Article.

Section 8.02. Proof of Execution. The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof. Where such execution shall be by an officer of a corporation or association or a member of a partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

Section 8.03. Proof of Ownership of Bonds. The ownership of Bonds shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Bond shall bind every future Owner of the same Bond and the Owner of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Issuer in pursuance of such request, consent or vote.

Section 8.04. Bonds Owned by Issuer. In determining whether the Owners of the requisite aggregate principal amount of Bonds shall have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which shall be owned by the Issuer or by any person directly or indirectly controlling or controlled by or under common control with the Issuer, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, provided that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver only Bonds which the Trustee shall know to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purpose of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by or under common control with the Issuer. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

ARTICLE IX

SUPPLEMENTAL INDENTURES

Section 9.01. Supplemental Indentures Not Requiring Owner Consent. The Issuer, when authorized by resolution of its County Council and the Trustee, from time to time and at any time, subject to the conditions and restriction of this Indenture, may enter into indentures supplemental hereto, which Indentures thereafter shall form a part hereof, for any one or more of all of the following purposes:

(A) To add to the covenants and agreements of the Issuer under this Indenture, or to surrender any right or power herein reserved by or conferred upon the Issuer.

(B) To make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Issuer may deem necessary or desirable and not inconsistent with this Indenture and which shall not adversely affect the interests of the Owners of the Bonds;

(C) To subject, describe or redescribe any property subjected or to be subjected to the lien of this Indenture;

(D) To authorize the issuance of Additional Bonds as provided in Section 2.13 hereof.

(E) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect, and, for the purpose of such qualification, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939 or similar federal statute.

Any supplemental indenture authorized by the provisions of this Section may be executed by the Issuer and the Trustee without the consent of the Owners of any Outstanding Bonds, notwithstanding any of the provisions of Section 9.02, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 9.02. Supplemental Indentures Requiring Owner Consent. (A) With the consent of the Owners of not less than 51% in aggregate principal amount of the Outstanding Bonds, the Issuer, when authorized by a resolution of its Board of Directors, and the Trustee may from time to time and at any time enter into an indenture supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture provided, however, that no such supplemental indenture shall (1) extend the maturity of any Bond or reduce the rate of interest thereon or extend the time of payment of interest, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the Owner of each Bond

Upon receipt by the Trustee of a certified resolution of the County Council of the Issuer authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Owners, as aforesaid, the Trustee shall join with the Issuer in the execution of such supplemental indenture unless such supplemental indenture shall affect the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

(B) It shall not be necessary for the consent of the Owners of the Bonds under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 9.03. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture pursuant to the provisions of this Article, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the Issuer, the Trustee and all Owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

ARTICLE XI

MISCELLANEOUS

Section 11.01 Tax Covenants. (A) The Issuer will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds under Section 103 of the Code. The Issuer will not directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the Issuer, or take or omit to take any action that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code. To that end, the Issuer will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds. In the event that at any time the Issuer is of the opinion that for purposes of this Section 11.01 it is necessary to restrict or limit the yield on the investment of any moneys held by the Trustee under this Indenture, the Issuer shall so instruct the Trustee in writing and the Trustee shall take such action as may be necessary in accordance with such instructions notwithstanding the provisions of Section 5.02 of this Indenture.

(B) Without limiting the generality of the foregoing, the Issuer agrees that there shall be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final Treasury Regulations as may be applicable to the Bonds from time to time. This covenant shall survive payment in full or defeasance of the Bonds. The Issuer specifically covenants to pay or cause to be paid to the United States at the times and in the amounts determined hereunder the Rebate Amounts, as described in the Rebate Certificate. The Trustee agrees to comply with all reasonable instructions of the Issuer given in accordance with the Rebate Certificate.

Section 11.02. Performance. The Issuer shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Issuer under the provisions of this Indenture.

Section 11.03. Compliance With Conditions Precedent. Upon the date of issuance of any of the Bonds, all conditions, acts and things required by law or by this Indenture to exist, to have happened or to have been performed precedent to or in the issuance of such Bonds shall exist, have happened and have been performed, and such Bonds, together with all other indebtedness of the Issuer, shall be within every debt and other limit prescribed by law.

Section 11.04. Power to Issue Bonds and Pledge Revenues, Funds and Other Property. The Issuer is duly authorized under all applicable laws to authorize and issue the Bonds and to enter into, execute and deliver this Indenture and to pledge the assets and Revenues purported to be pledged under the Granting Clauses hereof in the manner and to the extent herein provided. The assets and Revenues so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect to any pledge, lien, charge or encumbrance thereon prior to, or of equal rank with, the pledge created hereby, and all corporate or other action on the part of the Issuer to that end has been and will be duly and validly taken. The Bonds and the provisions of this Indenture are and will be the valid and legally enforceable obligations of the Issuer in accordance with their terms and the terms of this Indenture. The Issuer shall at all times, to the

extent permitted by law, defend, preserve and protect the pledge of the assets and Revenues, including rights therein pledged under this Indenture, and all the rights of the Owners under this Indenture against all claims and demands of all persons whomsoever.

Section 11.05. Payment of Bonds. The Issuer shall duly and punctually pay or cause to be paid (solely from the sources described herein) the principal of, premium, if any, and interest on every Bond, on the dates and at the places and in the manner stated in the Bonds, according to the true intent and meaning thereof.

Section 11.06. Extensions of Payment. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest. In the event that the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled to the benefit of this Indenture or to any payment out of the Accounts established pursuant to this Indenture, including the investments, if any, thereof, or out of any assets or Revenues pledged hereunder prior to benefits accorded to or the payment of the principal of all Bonds, the maturity of which has not been extended, and of such portion of the accrued interest on the Bonds as shall not be represented by such claims for interest. Nothing herein shall be deemed to limit the right of the Issuer to issue bonds for refunding purposes and such issuance shall not be deemed to constitute an extension of maturity of Bonds.

Section 11.07. Waiver of Laws. The Issuer shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of any law or laws now or at any time hereafter in force which may affect the covenants and agreements contained in this Indenture or in the Bonds and all benefit or advantage of any such law or laws is hereby expressly waived by the Issuer.

Section 11.09. Sale or Other Disposition. The Issuer will not, without consent of the Trustee, sell, transfer, assign, pledge or otherwise dispose of or encumber all or any part of its interest in the Notes or Loan Agreement, or assign, pledge, transfer, or hypothecate (other than to the Trustee hereunder) any Revenues pledged hereunder.

Section 11.10. Amendments of Loan Agreement. (A) The Issuer may without the consent of or notice to the Owners of the Outstanding Bonds consent to any amendment, change or modification of the Loan Agreement required by the provisions of the Loan Agreement or this Indenture, or for the purpose for curing any ambiguity or formal defect or omission and not contrary to the interest of Owners of the Bonds.

(B) Except for the amendments, changes or modifications provided in the preceding paragraph the Trustee shall not consent to any other amendment, change or modification of the Loan Agreement without the written approval or consent of the Owners of not less than two-thirds in aggregate principal amount of the Outstanding Bonds.

Section 11.11. Compliance with Loan Agreement Provisions. The Issuer covenants that it has in all respects entered into a valid and binding Loan Agreement, and that it will in all respects promptly and faithfully keep, perform and comply with all of the terms, provisions, covenants, conditions and agreements of the Loan Agreement applicable to the Issuer.

Section 11.14. Benefits of Indenture Limited. Nothing in this Indenture or in the Bonds expressed or implied is intended or shall be construed to give any person other than the Bond Bank, the Trustee and the Owners of the Bonds issued hereunder, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions or provisions therein or herein contained and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Issuer, the Trustee and the Owners of the Bonds.

Section 11.15. Waiver of Notice. Whenever in this Indenture the giving of notice by mail or otherwise shall be required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 11.16. Severability. In case any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Indenture, but this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

The City of Bloomington, Indiana Issuer (the "Issuer"), a political subdivision of the State of Indiana, for value received, hereby promises to pay, solely from the sources described herein, to the Registered Owner specified above upon surrender hereof, the Principal Amount specified above on the Maturity Date specified above unless redeemed earlier as hereinafter provided, and to pay interest to the Registered Owner at the Interest Rate specified above on such Principal Amount from the Interest Payment Date (as defined in the Indenture) to which interest has been paid on the Authentication Date hereof, except that: (i) if this 2010 Bond is authenticated before _____, the interest shall be paid from the Original Issue Date; and (ii) if this Bond is authenticated after a Record Date (as defined in the Indenture) and prior to the next Interest Payment Date, interest shall be paid from such Interest Payment Date. Interest is payable on [**To Come**], until payment of such Principal Amount shall have been made upon redemption or at maturity. The principal of this Bond is payable at the principal corporate trust office of _____, ("Trustee") in the City of _____, Indiana, or at the principal corporate trust office of any successor Trustee appointed under the Indenture (hereinafter defined). Payments of interest will be made to the Registered Owner by check dated the due date and mailed by the Trustee one Business Day prior to each Interest Payment Date from payments made on the Series 2010 Note, as defined in the Loan Agreement (herein defined), to such Registered Owner at his address as it appears on the registration books of the Issuer kept by the Trustee or at such other address as is furnished to the Trustee in writing by such Registered Owner.

The Bonds, and the interest payable thereon, are limited obligations of the Issuer payable solely from the Trust Estate (as defined in the Indenture) . The Bonds are issued under a Trust Indenture and Mortgage dated as of November 1, 2010, between the Issuer and the Trustee (the "Indenture"). The Bonds do not constitute a general or moral obligation of the Issuer.

The Bonds, both as to principal and interest, do not constitute a debt, obligation, liability or loan of the credit of the State, or any political subdivision thereof, under the constitution or statutes of the State or a pledge of the faith and credit or the taxing power of the State or any political subdivision thereof. The issuance of the Bonds under the provisions of the Act does not, directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment. Neither the State, any political subdivision thereof, nor any agent, attorney, member, officer, director or employee of the State, any political subdivision thereof, or of the Issuer shall in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. No breach by the Issuer of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State, or any agent, employee, attorney, officer, director or member of the State, any political subdivision thereof, or the Issuer, or any charge upon their general credit or upon the taxing power of the State or any political subdivision thereof.

This Bond is one of an authorized issue of bonds of the Issuer designated as The City of Bloomington, Indiana Economic Development Recovery Zone Facility Bonds, Series 2010 (Bloomington Dyslexia Center, LLC), issued under and secured by the Indenture duly executed and delivered by the Issuer to the Trustee. The Bonds are issued in the aggregate amount of \$2,100,000, or such lesser amounts as have been drawn down from time to time. The Bonds are issued pursuant to Indiana Code 36-7-12, as from time to time amended (the "Act"), to provide funds to loan to Bloomington Dyslexia Center, LLC (the "Borrower") and to pay a portion of the costs of issuing the Bonds.

The Bonds and any Additional Bonds (as defined in the Indenture) are all equally and ratably secured by and entitled to the protection of the Indenture. To secure the payment of principal of, premium, if any, and interest on all the Bonds and any Additional Bonds and performance of all other covenants of the Issuer under the Indenture, the Issuer, pursuant to the Indenture, has assigned and pledged to the Trustee, and has granted to the Trustee a first mortgage and a security interest in, the Trust Estate, including all right, title and interest of the Issuer in and to all moneys and securities from time to time received and held by the Trustee under the Indenture, except the Rebate Account, and all income from the deposit, investment and reinvestment thereof. Reference is hereby made to the Indenture for a description of the rights, duties and obligations of the Issuer, the Trustee and the Registered Owners, the terms and conditions upon which the Bonds are or may be issued and the terms and conditions upon which the Bonds will be paid at or prior to maturity, or will be deemed to be paid and discharged upon the making of provisions for payment therefor. Copies of the Indenture are on file at the principal corporate trust office of the Trustee. By acceptance of this Bond, the Registered Owner accepts all of the terms and provisions of the Indenture.

This Bond is transferable by the Registered Owner hereof in person or by its attorney duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations described in the Indenture and upon surrender and cancellation of this Bond. This Bond may be transferred without cost to the Registered Owner except for any tax or governmental charge required to be paid with respect to the transfer. Upon such transfer, a new Bond or Bonds of the same maturity and of authorized denomination or denominations for the same Principal Amount will be issued to the transferee in exchange therefor.

The Trustee shall not be required to transfer or exchange any Bond (a) after the Record Date and prior to the next Interest Payment Date, (b) during the 45 days preceding the date of any proposed redemption of Bonds or (c) 30 days prior to the mailing of notice of redemption.

The Issuer and the Trustee may deem and treat the person in whose name this Bond is registered on the Bond Register as the absolute Owner of this Bond for the purpose of receiving payment of, or on account of, the principal or redemption price, if any, hereof and the interest due hereon and for all other purposes, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

The Bonds are subject to redemption prior to maturity [**To Come**]

The Bonds are subject to mandatory redemption, in whole, on the earliest practicable date selected by the Trustee after consultation with the Borrower, but in no event later than ninety (90) days following receipt by the Trustee of notice of a Determination of Taxability, at a redemption price equal to 100% of the Principal Amount thereof, plus accrued interest to the date fixed for redemption; provided, however, that if the Determination of Taxability shall have occurred solely as the result of intentional action taken by the Borrower, the Bonds shall be redeemed at 103% of the Principal Amount thereof, plus accrued interest thereon to the Redemption Date. In lieu of the above mandatory redemption, the Holder of this Bond may elect to adjust the interest rate on this Bond to a rate sufficient to place the Holder in the after tax position as it existed prior to the Determination of Taxability.

The Bonds are subject to redemption upon the occurrence of (i) condemnation of all or part of the Mortgaged Property (as defined in the Indenture) or (ii) loss or damage covered by any policy of insurance required by the Loan Agreement, Mortgage and Security Agreement by and between the Issuer and the Borrower dated as of November 1, 2010, (the "Loan Agreement"), which, at the time of either occurrence, in the opinion of the Borrower, is sufficient to render the Mortgaged Property inoperable for a period of time such that a Loan Payment (as defined in the Loan Agreement) cannot be made. The proceeds of such condemnation or insurance received by the Trustee shall be used to redeem the Bonds.

Upon the earlier of the completion of the Project (as defined in the Indenture), as evidenced by a Certificate of Completion executed by the Borrower, or the date which is three years after the date of the Loan Agreement, the Bonds are subject to mandatory redemption on

any Interest Payment Date in whole or in part from moneys remaining in the Construction Account on such date.

In the event of a mandatory redemption, if fewer than all of the Bonds are to be redeemed, the Bonds shall be redeemed within a series and a maturity selected or designated by the Trustee. In the event of an optional redemption, if fewer than all of the Bonds are to be redeemed, the Bonds shall be redeemed within a series and a maturity selected or designated by the Borrower. The Trustee or the Borrower, as the case may be, will select the particular Bonds or portion thereof to be redeemed in principal amounts of whole multiples of \$5,000. Any Bond of a principal amount of more than \$5,000 will be redeemed in integral multiples of \$5,000.

The Trustee shall select the Bonds to be redeemed in such order of their maturity dates as the Borrower shall determine. If any Bonds to be called are payable by their terms on the same date, the particular Bonds or portion thereof shall be selected by lot by the Trustee or the Borrower, as the case may be, in such manner as the Trustee or the Borrower, respectively, in their discretion may determine.

If any of the Bonds are called for redemption, notice identifying the Bonds to be redeemed will be given by mailing such notice by certified mail not less than 30 days nor more than 45 days before the Redemption Date to the Registered Owners of the Bonds to be redeemed at their last addresses appearing on the registration books of the Registrar.

Failure to give any notice described above for optional or mandatory redemption by mailing or any defect therein with respect to any Bond, shall not affect the validity of any proceedings for the redemption of other Bonds. All Bonds so called for redemption will cease to bear interest on the specified Redemption Date, and shall no longer be protected by the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture, provided that funds for their redemption are on deposit at the place of payment at that time.

The Bonds, or any portion of the Bonds, may be defeased, and the lien of the Indenture discharged as to such Bond or Bonds, all as set forth in the Indenture.

No Owner shall have any right to institute or prosecute any suit or proceeding at law or in equity or for the foreclosure of the Indenture, for the appointment of a receiver, for the enforcement of any of the provisions of the Indenture or of any remedies thereunder in respect to the pledged property unless the Trustee, after a request in writing by the Registered Owners of 25 percent in aggregate principal amount of the Outstanding Bonds, and after the Trustee shall have been assured such reasonable indemnity as it may require, shall have neglected for 60 days to take such action; provided, however, that the right of any Registered Owner of any Bond to receive payment of principal and/or interest on or after the respective due dates expressed therein, or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the consent of such Registered Owner.

The Issuer and the Trustee may, without the consent of, or notice to, any of the Registered Owners of the Bonds, enter into an indenture or indentures supplemental to the Indenture for any one or more of the following purposes:

- (A) To add to the covenants and agreements of the Issuer under the Indenture, or to surrender any right or power herein reserved by or conferred upon the Issuer.
- (B) To make provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained in the Indenture, or in regard to matters or questions arising under the Indenture, as the Issuer may deem necessary or desirable and not inconsistent with the Indenture and which shall not adversely affect the interests of the Registered Owners of the Bonds;
- (C) To subject, describe or redescribe any property subjected or to be subjected to the lien of the Indenture;
- (D) To authorize the issuance of Additional Bonds;
- (E) To modify, amend or supplement the Indenture or any indenture supplemental thereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect, and, for the purpose of such qualification, to add to the Indenture or any indenture supplemental thereto such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939 or similar federal statute.

The Issuer hereby certifies, recites and declares that all acts, conditions and things required by the constitution and statutes of the State, the Indenture, and resolutions of the Issuer to exist, happen and be performed prior to the issuance of this Bond do exist, have happened and have been performed in due time, form, and manner as required by the Act; that the issuance of the Bonds, together with all other obligations of the Issuer, does not exceed or violate any constitutional or statutory limitation applicable to the Issuer.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been signed by the Trustee.

RE: \$2,100,000 City of Bloomington, Indiana Economic Development Recovery Zone Facility Bonds, Series 2010 (Bloomington Dyslexia Center, LLC Project)

Gentlemen:

We have acted as bond counsel in connection with the issuance by The City of Bloomington, Indiana ("Issuer") of the Issuer's Economic Development Recovery Zone Facility Bonds, Series 2010 (Bloomington Dyslexia Center, LLC Project) (the "Bonds"), pursuant to a Trust Indenture and Mortgage dated as of November 1, 2010 ("Indenture"), between the Issuer and _____, as trustee ("Trustee"). The proceeds of the Bonds will be loaned pursuant to a Loan Agreement, Mortgage and Security Agreement dated as of November 1, 2010 (the "Loan Agreement"), between the Issuer and Bloomington Dyslexia Center, LLC ("Borrower") for the purpose of acquiring real estate and constructing on the Mortgaged Property (as defined in the Loan Agreement) and for paying the costs of issuing the bonds. The Loan will be evidenced by a promissory note of the Borrower payable to the Issuer dated as of November 1, 2010, in the aggregate principal amount of not more than \$2,100,000 (the "Note"). The Loan will be funded from the proceeds of the sale of the Bonds. The Issuer has assigned its interest in the Loan Agreement and the Note to the Trustee pursuant to the Indenture.

In our capacity as bond counsel, we have examined the law, including statutes and regulations, published rulings and judicial decisions existing on the date of this opinion, the certified transcript of the proceedings relating to the issuance of the Bonds ("Transcript"), and such other documents as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the Transcript and other certifications furnished to us, including tax covenants and representations of the Borrower, without undertaking to verify the same by independent investigation.

We were not engaged to and have not undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material, if any, related to the Bonds, and we express no opinion relating thereto.

On the basis of our examination described above, we are of the opinion that under existing law as of the date of this opinion:

1. The Bonds, the Loan Agreement, the Indenture and the Note have been duly authorized, executed and delivered and are legal, valid and binding in accordance with their respective terms.
2. The Bonds have been designated as “recovery zone facility bonds” for the purposes of Section 1400U of the Internal Revenue Code of 1986, as amended (the “Code”).
3. The interest on the Bonds is exempt from taxation in the State of Indiana for all purposes except for Indiana Inheritance Taxes and the Indiana Financial Institutions Tax imposed upon financial institutions pursuant to Title 6, Article 5.5 of the Indiana Code.
4. The interest on the 2010 Bonds is excludable from gross income for purposes of federal income taxation pursuant to Section 103 of the Code.
5. The interest on the Bonds is not a specific item of tax preference for purposes of federal alternative minimum tax imposed on individuals and corporations.
6. This opinion relates only to the exclusion from gross income of interest on the Bonds for federal income tax purposes under Section 103 of the Code and is conditioned upon continuing compliance by the Borrower and the Issuer with requirements of the Code which must be met subsequent to the issuance of the Bonds in order to assure that interest thereon will remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. The Borrower and Issuer have covenanted to comply with such requirements. We express no opinion regarding federal tax consequences arising with respect to the Bonds.
7. The principal of, premium, if any, and interest on the Bonds are payable solely from the Revenues (as defined in the Indenture) and other moneys pledged and assigned by the Indenture to secure those payments.

With respect to the enforceability of any document or instrument referred to or described in this opinion, this opinion is subject to the qualifications that:

- (i) the enforceability of such document or instrument may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors' rights generally;
- (ii) the enforceability of equitable rights and remedies provided in such instruments may be subject to judicial discretion and may be limited by general principles of equity; and

(iii) the enforceability of documents and instruments may be limited by the valid exercise of constitutional powers of the United States of America or the State of Indiana.

Very truly yours,

ARTICLE VII

TAXES, INSURANCE AND DAMAGE OR DESTRUCTION

Section 7.01. Taxes. The Borrower shall pay, or cause to be paid, all taxes and assessments, or any payments in lieu thereof, which may lawfully be levied against the properties pledged pursuant to the granting clauses hereof as the same become due and payable.

Section 7.02. Risks Insured Against and Coverage. The Borrower shall procure or cause other persons to procure insurance, including a general liability policy in an amount of at least [three million dollars], and a policy of rent or rental value insurance for a period of one year on the Mortgaged Property, its construction, maintenance and use of the types, amounts and with companies as are usual and customary to manufacturing facilities in the State, but in no event shall property and casualty insurance policies covering the Mortgaged Property be in an amount less than 100% of the replacement cost thereof.

In case the Borrower shall at any time refuse, neglect or fail to obtain and furnish such insurance policies or to effect insurance as required in this Loan Agreement, the Trustee may, in its discretion but shall not be required to, procure such insurance, and all money paid by the Trustee for such insurance, together with interest thereon at the rate equal to the interest on the Bonds plus 3%, shall be repaid by the Borrower upon demand, and shall constitute an additional indebtedness of the Borrower secured by the lien of this Loan Agreement. The Trustee, however, shall not be obligated to effect such insurance unless fully indemnified against the expense thereof and furnished with means therefor.

Section 7.03. Insurance Proceeds. Upon the occurrence of any loss or damage covered by any such policy from one or more of the causes insured against, the Borrower shall make due proof of loss containing a power of attorney in favor of the Trustee to endorse all drafts drawn for the payment thereof to the order of the Trustee, and to sign receipts therefor, and shall do all things necessary or desirable to cause the insuring companies to make payment in full directly to the Trustee.

The insurance policies required by this Article shall be for the benefit, as their interests shall appear, of the Trustee and the Borrower. Such policies shall clearly indicate that any proceeds under the policies relative to the Mortgaged Property shall be payable to the Trustee, and the Trustee is hereby authorized to demand, collect and receipt for and recover any and all insurance money which may become due and payable under any of said policies of insurance and to prosecute all necessary actions in the courts to recover any such insurance money. The Trustee may, however, accept any settlement or adjustment which the officers of the Borrower may deem it advisable to make with the insurance companies.

Upon the occurrence of any loss or damage covered by any such policy from one or more of the causes insured against, which damage or loss is sufficient, at the time of such loss or damage, to render the Project inoperable for a period of time such that a Loan Payment cannot be made, including from a draw on the Letter of Credit, the proceeds of such insurance received by the Trustee shall be immediately applied to the repayment in full of the Note.

Except as provided in the preceding paragraph, the proceeds of such insurance received by the Trustee shall be applied to the repair, replacement or reconstruction of the damaged or destroyed property. Such proceeds shall be held and disbursed by the Trustee upon showings satisfactory to the Trustee that repair, replacement and reconstruction have been made or are being made.

Section 7.04. Repair or Replacement of Mortgaged Property. (a) In the event the Borrower shall not commence to repair or replace the Mortgaged Property so damaged or destroyed within 90 days after any such loss or damage, or if the Borrower, having commenced such work of repair or replacement, shall abandon or fail diligently to prosecute the same, the Trustee or its agent may, in its discretion, make or complete such repairs or replacements, and if it shall elect so to do, may enter upon said Mortgaged Property to any extent necessary for the accomplishment of such purposes, but nothing herein contained shall obligate the Trustee or its agent to make or complete any such repairs or replacements unless it shall have been requested to do so by the holders of not less than 25% in aggregate principal amount of all the Outstanding Bonds, and shall have been indemnified to its satisfaction against all loss, damage and expense which it might thereby incur and it shall be so obligated only if sufficient insurance proceeds are available for such purpose.

(b) The Trustee may accept affidavits and certificates filed with the Trustee as evidence of the facts therein stated, but the Trustee (although under no obligation so to do) may, at the expense of the Borrower, require further or other evidence of such matters and may rely on the report or opinion of such architect, engineer, other person, or counsel, as it may select for the purpose of making an investigation thereof.

ARTICLE VIII

WARRANTIES AND COVENANTS OF BORROWER

Section 8.01. Assignment and Pledge of City's Rights: Obligations of Borrower Unconditional. As security for the payment of the Bonds, the City will assign and pledge to the Trustee all right, title and interest of the City in and to this Agreement and the Promissory Note, including the right to receive payments hereunder and thereunder (except the right to indemnification as provided in Section 8.06 hereof, and the right to fees and expenses as provided in Section 4.02 hereof), and hereby directs the Borrower to make such payments directly to the Trustee. The Borrower consents to such assignment and pledge and agrees that it will make payments directly to the Trustee without defense or set-off by reason of any dispute between the Borrower and the County or the Trustee, and hereby further agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment of the Bonds made in accordance with the Indenture, the Borrower (a) will not suspend or discontinue any Loan Payments, (b) will perform

all its other agreements in this Loan Agreement and (c) will not terminate this Loan Agreement for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the County to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Loan Agreement.

If the Borrower fails to make or cause to be made any of the payments required to be made under this Agreement, the unpaid amount shall continue to be an obligation of the Borrower until such amount is fully paid. The Borrower agrees to pay the same with interest thereon from the date when due until paid at the rate borne by the Bonds plus 3%.

Section 8.02. Right of Access to the Project. Subject to the reasonable security and safety requirements of the Borrower, the Borrower agrees that the County and the Trustee, and their respective duly authorized agents, shall have the right at all reasonable times upon reasonable notice to enter upon the Project to examine and inspect the same, and shall have the right at all reasonable times to inspect all books and records of the Borrower relating to the Project and make copies thereof.

Section 8.03. Maintenance of Existence. The Borrower agrees that throughout the term of this Agreement it shall maintain its existence and shall not dispose of all or substantially all of its assets. In the event the Borrower shall consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it, any surviving, resulting or transferee entity shall be qualified to do business in the State and shall assume in writing or by operation of law all of the obligations of the Borrower under this Loan Agreement.

Section 8.04. Qualification in State. Subject to the provisions of Section 8.03 hereof, the Borrower agrees that throughout the term of this Loan Agreement, it will be qualified to do business in the State.

Section 8.05. Covenant as to Non-Impairment of Tax-Exempt Status. The Borrower covenants that, notwithstanding any provision of this Loan Agreement or the rights of the Borrower hereunder, it will not take, or permit to be taken on its behalf, any action that would impair the exclusion of interest on the Bonds from gross income for federal income tax purposes and that it will take such reasonable action for itself and on behalf of the City as may be necessary to continue such exclusion, including, without limitation, the preparation and filing of any statements required to be filed by it in order to maintain such exclusion.

The Borrower will not cause or permit any proceeds of the Bonds to be invested in a manner contrary to the provisions of Section 148 of the Code and will assure compliance with such requirements on behalf of the City. The Borrower shall calculate and timely pay to the United States of America, for the account of the City, all amounts required to be so paid in accordance with Section 148 of the Code and shall maintain, on behalf of the City, all records required to be maintained pursuant to Section 148(f) of the Code.

In addition to the foregoing covenants and the covenants contained in section 3.03 hereof,

the Borrower further covenants that (i) it will requisition, apply and spend the moneys in the Construction Account created under the Indenture in a manner so that as of any date at least 95% of the total amount theretofore requisitioned from the Construction Account (other than amounts requisitioned for costs associated with the issuance of the Bonds) will be applied to finance costs for the acquisition, construction, rehabilitation or improvement of land and other property which is of a character subject to an allowance for depreciation under Section 167 of the Code; (ii) it will not permit moneys in the Revenue Account or the Construction Account to be invested in such a manner as to cause the Bonds to be "arbitrage bonds" under Section 148(a) of the Code; (iii) it will promptly notify the Trustee if, at any time, the Borrower proposes to take any action, or any action is to be taken by or on behalf of any Principal User of the Project or any Related Person, the effect of which could be to cause interest on the Bonds to become includable in the gross income of owners thereof for federal income tax purposes by reason of noncompliance with any provisions of Section 1400U of the Code, (iv) it will not requisition from the Construction Account for more than two percent (2.0%) of the proceeds of the Bonds to pay costs associated with the issuance of the Bonds, and (v) no portion of the net proceeds of the Bonds will be used for the acquisition of any property (or an interest therein) unless the first use of such property is pursuant to such acquisition.

The Borrower acknowledges that a failure to abide by the foregoing covenants and the covenants contained in Section 3.03 hereof and in the Tax Compliance Certificate may result in a Determination of Taxability. In the event of a Determination of Taxability for any reason, the sole and exclusive remedy of the holders of the Bonds and the Trustee on their behalf shall be the early redemption of the Bonds, or the payment of the Taxable Rate, as described in Section 3.01(B) of the Indenture.

Section 8.06. Indemnity Expenses.

(a) The City and its members, officers, agents and employees and the State of Indiana (hereinafter the "Indemnified Persons") shall not be liable to the Borrower for any reason. The Borrower shall indemnify and hold the City and the Indemnified Persons harmless from any loss, expense (including reasonable counsel fees), or liability of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project (ii) any act, failure to act or material or intentional misrepresentation by any Person in connection with the issuance, sale, delivery or remarketing of the Bonds, (iii) any act, failure to act or misrepresentation by the City in connection with this Loan Agreement or any other document involving the City in this matter, or (iv) the selection and appointment of firms providing services related to the Bond transaction. If any suit, action or proceeding is brought against the City or any Indemnified Person, that suit, action or proceeding shall be defended by Counsel to the City or the Borrower, as the City shall determine. If the defense is by Counsel to the City, the Borrower shall indemnify the City and Indemnified Persons for the reasonable cost of that defense including reasonable Counsel fees. If the City determines that the Borrower shall defend the City or any Indemnified Person, the Borrower shall immediately assume the defense at its own cost. The Borrower shall not be liable for any settlement of any proceeding made without its consent (which consent shall not be unreasonably withheld).

(b) The Borrower shall not be obligated to indemnify the City or any Indemnified Person under subsection (a), if a court with competent jurisdiction finds that the liability in question was caused by the willful misconduct or sole gross negligence of the City or the involved Indemnified Person(s), unless the Court determines that, despite the adjudication of liability but in view of all circumstances of the case, the City or the Indemnified Person(s) is (are) fairly and reasonably entitled to indemnity for the expenses which the Court considers proper.

(c) The Borrower shall also indemnify the City for all reasonable costs and expenses, including reasonable Counsel fees, incurred in: (i) enforcing any obligation of the Borrower under this Agreement or any related agreement, (ii) taking any action requested by the Borrower, (iii) taking any action required by this Loan Agreement or any related agreement or (iv) taking any action considered necessary by the City and which is authorized by this Agreement or any related agreement.

(d) The Borrower also agrees to pay and to indemnify and hold harmless the Trustee, any person who "controls" the Trustee within the meaning of Section 15 of the Securities Act of 1933, as amended, and any member, officer, agent, director, official and employee of the Trustee (collectively called the "Indemnified Parties") from and against any and all claims, damages, demands, expenses, liabilities and losses of every kind, character and nature asserted by or on behalf of any person in connection with (i) the issuance, offering, sale, delivery, or remarketing of the Bonds, the Indenture and this Loan Agreement and the obligations imposed on the Trustee hereby and thereby; or the design, installation, operation, use, occupancy, maintenance, or ownership of the Project; (ii) any written statements or representations made or given by the Borrower or any of its officers or employees to the Indemnified Parties, with respect to the Borrower, the Project, or the Bonds, including, but not limited to, statements or representations of facts, financial information, or business affairs; (iii) damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project; and (iv) any loss or damage incurred by the Trustee as a result of violation by the Borrower of the provisions of Section 3.03 hereof, or arising out of, resulting from, or in any way connected with, the condition, use, possession, conduct, management, planning, design, acquisition, installation, renovation or sale of the Project or any part thereof, to the extent not caused or occasioned by the gross negligence or willful misconduct of such Indemnified Party. The Borrower also covenants and agrees, at its expense, to pay, and to indemnify the Indemnified Parties from and against, all costs, reasonable attorney fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. In the event that any action or proceeding is brought against the Indemnified Parties by reason of any such claim or demand, that action or proceeding shall be defended by counsel to the Indemnified Parties or the Borrower, as the Indemnified Parties shall determine. If the defense is by counsel to the Indemnified Parties, the Borrower shall indemnify the Indemnified Parties for the reasonable cost of the defense including reasonable counsel fees. If the Indemnified Parties determine that the Borrower shall defend the Indemnified Parties, the Borrower shall immediately assume the defense at its own cost. If such separate counsel is employed, the Borrower may join in any such suit for the protection of its own interests. The Borrower shall not be liable for any settlement of any such action effected without its consent; but if settled with the consent of the Borrower or if there be a final, unappealable judgment for the plaintiff in any such action, the Borrower agrees to indemnify and hold harmless the Indemnified Parties.

(e) The indemnification provisions herein contained shall not be exclusive or in limitation of, but shall be in addition to, the rights to indemnification of the Indemnified Persons or the Indemnified Parties under any other agreement or law by which the Borrower is bound or subject to.

(f) The obligations of the Borrower under this Section 8.06 shall survive any assignment or termination of this Agreement.

Section 8.07 Compliance with Laws. The Borrower shall, throughout the term of this Loan Agreement and at no expense to the City, promptly comply or cause compliance with all laws, ordinances, orders, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the repair and alteration thereof, or to the use or manner of use of the Project.

Section 8.08. No Recourse. The obligations of the County under this Agreement are special, limited obligations of the City, payable solely out of the Revenues and as otherwise provided under this Agreement and the Indenture. The obligations of the City hereunder shall not be deemed to constitute an indebtedness or an obligation of the City, the State, or any political subdivision thereof within the purview of any constitutional limitation or provision, or a charge against the credit or general taxing powers, if any, of any of them. Neither the City nor any member, director, officer, employee or agent of the City nor any person executing the Bonds shall be liable personally for the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds. No recourse shall be had for the payment of the principal of, redemption premium if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Bonds, the Indenture, or this Loan Agreement (or any other agreement entered into by the County with respect thereto) against any past, present or future member, officer, agent or employee of the City, or any incorporator, member, officer, employee, director or trustee or any successor thereof, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, member, officer, employee, director, agent or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and this Loan Agreement (and any other agreement entered into by the City with respect thereto) and the issuance of the Bonds.

Section 8.09 Indenture Provisions. The Indenture provisions concerning the Bonds and the other matters therein are an integral part of the terms and conditions of the Loan made by the City to the Borrower pursuant to this Loan Agreement and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Indenture by the Borrower to the extent it relates to the Borrower. Additionally, the Borrower agrees that, whenever the Indenture by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower hereby agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.

Section 8.10. Recording and Maintenance of Liens.

(a) The Borrower will, at its own expense, take all necessary action to maintain and preserve any liens and security interest of the Loan Agreement or the Indenture so long as any principal of, premium, if any, or interest on the Bonds remains unpaid.

(b) The Borrower will promptly, but not later than six months prior to the date any financing statement or continuation statements must be filed to perfect or maintain the security interest granted to the Trustee pursuant to the Indenture, prepare the required financing or continuation statements and forward completed originals to the Trustee accompanied by the name and address of the appropriate state and county offices where such financing statements or continuation statements are to be duly filed and recorded as required by the provisions of the Uniform Commercial Code or other similar law as enacted by the State.

(c) The City shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected hereby. The City will execute such instruments as may be necessary in connection with such filing or recording.

ARTICLE IX

DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES

Section 9.01. Disclaimer of Warranties. NEITHER THE CITY NOR THE TRUSTEE MAKES ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE PROJECT OR ANY PORTION THEREOF OR ANY OTHER WARRANTY WITH RESPECT THERETO. In no event shall the City or the Trustee be liable for any incidental, indirect, special or consequential damage in connection with or arising out of the existence, furnishing, functioning or the Borrower's use of the Project or any item or products or services provided for in this Loan Agreement.

Section 9.02. Warranties. The Borrower's sole remedy for the breach of any warranty, right of indemnification or representation relating to the Project or any part thereof shall be against the vendors, manufacturers, installers or construction contractors of the Project and not against the City, the Trustee, or any Bondholder, nor shall such matter have any effect whatsoever on the rights and obligations of the Borrower or the City with respect to this Loan Agreement. The Borrower expressly acknowledges that neither the City, nor the Trustee has made, any representation or warranties whatsoever as to the existence or availability of any such warranties of such vendors, manufacturers, installers and construction contractors.

ARTICLE X

ASSIGNMENT AND LEASING

Section 10.01. Assignment by City. This Loan Agreement, the Note and the right to receive payments of the Borrower made hereunder and thereunder may be assigned and reassigned in whole or in part to one or more assignees or subassignees by the City at any time subsequent to its execution without the necessity of obtaining the consent of the Borrower. The Borrower expressly acknowledges that this Loan Agreement and the Note, and the right to receive payments of the Borrower made hereunder and thereunder (with the exception of the City's rights to indemnification, fees and expenses) have been assigned to the Trustee as security for the Bonds under the Indenture and that the Trustee shall be entitled to act hereunder and thereunder in the place and stead of the City whether or not the Bonds are in default.

Section 10.02. Transfer, Assignment and Leasing by Borrower. The Borrower may lease any portion of the Project provided that the Borrower delivers to the City and the Trustee in connection with any such leasing an opinion of Bond Counsel that subsequent to the execution of the lease, interest on the Bonds will remain wholly excludable from gross income of the Bondholders for federal income tax purposes. No leasing shall relieve the Borrower from primary liability for any of its obligations hereunder, and in the event of any such leasing the Borrower shall continue to remain primarily liable for the payment of Loan Payments and for performance and observance of the other agreements herein on its part to be performed and observed.

This Loan Agreement may be assigned, in whole or in part, and the Project may be sold, transferred or conveyed as a whole or in part, by the Borrower without the necessity of obtaining the consent of the City or the Trustee, subject, however, to the following conditions:

(a) No assignment, sale, transfer or conveyance shall relieve the Borrower from primary liability for any of its obligations hereunder, and if any such assignment occurs, the Borrower shall continue to remain primarily liable to make the payments required to be made by the Borrower hereunder and for performance and observance of the other agreements on its part herein provided to be performed and observed by it;

(b) The assignee or purchaser shall assume the obligations of the Borrower hereunder to the extent of the interest assigned, sold, transferred or conveyed;

(c) The Borrower shall within thirty (30) days after the delivery thereof, furnish or cause to be furnished to the City and the Trustee a true and complete copy of each such assignment or sale agreement, as the case may be, together with (A) any instrument of assumption, and (B) an opinion of Bond Counsel that such assignment or sale agreement will not adversely affect the exclusion of interest on the Bonds from gross income of the Bondholders for federal income tax purposes; and

(d) The assignee, transferee or purchaser shall continue to use the Project for purposes permitted under the Act for the term of this Agreement.

Section 11.02. Notice of Default. The Borrower agrees to give the Trustee and the City prompt written notice of any petition, assignment, appointment or possession referred to herein is filed by or against the Borrower or of the occurrence of any other event or condition which constitutes a Default or an Event of Default, or with passage of time or the giving of notice or both would constitute an Event of Default, immediately upon becoming aware of the existence thereof.

Section 11.03. Remedies on Default. Whenever any Event of Default referred to in Section 11.01 hereof shall have happened and be continuing, the County or the Trustee may in addition to any other remedies herein or by law provided:

(b) Take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or under the Note or to enforce any other of its or their rights hereunder or under the Note.

Section 11.04. Attorneys' Fees and Other Expenses. The Borrower shall on demand pay to the City or the Trustee the reasonable fees and expenses of attorneys and other reasonable expenses incurred by any of them in the collection of Loan Payments or any other sums due or the enforcement of performance of any other obligations of the Borrower upon an Event of Default. The provisions of this Section 11.04 shall survive the termination of this Loan Agreement and the payment in full of the Note.

Section 11.05. Application of Moneys. Any moneys collected by the City or the Trustee

pursuant hereto shall be applied (a) first, to any reasonable attorneys' fees or other expenses owed by the Borrower to the City or the Trustee pursuant to Section 12.04 hereof pro rata based on the amount of such expenses owed, (b) second, to pay any interest due on the Note, (c) third, to pay principal due on the Note, and (d) fourth, to pay interest and principal on the Note and other amounts payable hereunder but which are not due, as they become due (in the same order, as to amounts which come due simultaneously, as in (a) through (d) in this Section 11.05).

Section 11.06. No Remedy Exclusive; Waiver; Notice. No remedy herein conferred upon or reserved to the City or the Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient.
