#### SYNOPSIS

This ordinance makes changes to the fee schedule for rental inspections to be more consistent with the actual cost of providing the service to the public. It also requires the owner of rental property to file his or her street address, which is necessary for service of process in legal actions. In addition, the ordinance also clarifies the conditions under which the three, four, and five year rental occupancy permits can be obtained. *Note: Section 4 of the ordinance was amended to establish a separate inspection fee for rooming houses.*
