SYNOPSIS

ORDINANCE NO. 78-88

To Amend the Zoning Maps of June 7, 1978

The Zoning Ordinance classifies all land within the planning jurisdiction into residential, business, and manufacturing zones. The boundaries for these zones are established by the Plan Commission and the Common Council and within each district only certain uses are permitted.

This ordinance, if approved will change the zoning from BA-Arterial Business to RH-High Density Residential Districts, located at 3305 S. Highway 37. The petitioner is Ramsey Construction/Fontanbleu Nursing Home. This petition is filed as a correctional modification to the existing zoning boundary lines based upon actual property lines. The existing zoning line between the BA and RH zones was arbitrarily established dividing equally the ground between Old Highway 37 and South Walnut Street Pike apparently without concern for existing land uses or property lines. The proposal represents a down zoning to a residential category from a business zone.
