Code § 6-1.1-18.5 *et seq.* entitled "Civil Government Property Tax Controls."**

The City shall not be required to petition for financial relief as provided for and defined in the above-cited chapter as a prerequisite to showing its inability to increase its *ad valorem* property tax levies in the above-stated amounts.

The City shall inform the Unit of such declaration in writing. In the event of such declaration by the City, the parties shall immediately as practicable begin new negotiations on the subject of said salary rates only, pursuant to Bloomington Municipal Code §2.34, and following.

Mandatory unscheduled duty pay shall be calculated from the time the firefighters is called by a supervisor until the end of that tour of duty. Holdover time shall be calculated as "time worked" in one-half (1/2) hour increments, based on actual hours worked, with no maximum, and shall also be paid at a member's regular rate of pay. The two (2) hour minimum shall not apply to holdover duty.

Once a member's number of hours worked exceed the applicable FLSA overtime threshold, the member shall be paid overtime at the rate established by the FLSA.

The member shall be compensated at a rate of one and one-half times the member's regular rate of pay for Mandatory Unscheduled Duty, regardless of whether the member has exceeded the FLSA threshold.

ARTICLE XIV. Acting Pay

A firefighter or Captain in the Unit may be required to perform additional duties in an "acting" capacity due to the illness, vacation, or retirement of another member of the Department. Firefighters and Captains shall be compensated for duty served in an "acting" capacity at a higher rank on behalf of a firefighter (or in the case of a Captain, on behalf of a Battalion Chief) who is sick or on vacation, but will only receive "acting pay" for the position in the event the "acting" status exceeds fifteen (15) consecutive calendar days.

A reassignment payment of ten dollars (\$10.00) will be made when a firefighter is transferred from their regularly-assigned Engine, Rescue, Aerial or Truck Company to another Engine, Rescue, Aerial or Truck Company for a period of greater than twelve (12) hours if the reassignment results in the firefighter having to change stations. This payment will be for each full tour of duty on the shift to which they are regularly assigned.

In the event a call back of off-duty personnel is initiated and a "temporary" Engine Company is established for any length of time, the proper call-back pay procedure shall be followed and shall supersede any language of this Article.

If an entire Company is reassigned to another station for any length of time, this will not constitute a change or reassignment as contemplated by this Article XIV, and no reassignment payment will be made. Further, if a reserve or back-up apparatus is placed in service as a front-line apparatus, such change shall not constitute a change or reassignment as contemplated by this Article.

To receive reassignment payment as contemplated by this Article XIV, the affected firefighter must complete a reassignment payment slip and turn it in to the assigned station ranking officer during the same pay period in which the reassignment takes place. Failure to complete and submit the reassignment slip will result in forfeiture of payment.

Vacation days scheduled in twelve (12) hour, one-half tour of duty increments shall count as one-half vacation day used. Cost of such diagnostic consultation and/or testing shall be borne by the City. Cost of therapy and/or treatment shall be borne by the firefighter. Reports of diagnostic consultation and/or testing shall be submitted to the Chief or Board.

Firefighters shall be entitled to sick leave with full pay without limitation, subject to processing of medical disability pension status under current Indiana law. Additionally, the City will pay for the medical expenses of the firefighter in accordance with current Indiana law at the time of the illness or injury. Such expenses will be paid by the City to the extent that such expenses are not reimbursed by the firefighter's medical insurance or workers compensation insurance, subject to a maximum liability to the City of the amount of non-reimbursed medical expenses that would have been incurred if the firefighter was on the City's medical insurance plan.

Firefighters with upcoming surgeries, medical conditions lasting more than one week, or pregnant firefighters shall contact Human Resources 30 days in advance or as soon as possible to start the FMLA process.

ARTICLE XVII. Layoffs

In the event that the City may find layoffs necessary, they shall notify BMF Local 586, in writing, of the number of sworn personnel to be laid off.

The City and employees in the Unit agree to utilize a joint Labor-Management Committee which shall consist of three (3) representatives appointed by the Mayor and three (3) representatives appointed by the Unit. Additionally, one non-voting member shall be mutually selected by the members to serve as the Labor-Management Committee Advisor. This Committee shall meet at least on a quarterly basis, and additionally as requested by either party, in order to discuss any and all facets of the employment relationship. If a majority of the Committee decides as a result of such discussion that a change should be made, then the Committee shall forward such recommendation to the Fire Chief and to the Union President. The Chief may approve the recommendation without Board of Public Safety approval, or shall forward to the Board of Public Safety within thirty (30) days with a positive or negative recommendation or without a recommendation. A copy of the Chief's submission, if any, shall be forwarded to the Union President, who may also provide a recommendation to the Board of Public Safety, with a copy to the Chief. The Board of Public Safety shall consider the matter at its next regularly scheduled meeting.

In the event that a majority of the Committee shall fail to reach an agreement on any proposal after four (4) meetings in which the proposal was subject to good faith discussions, then any three (3) members of the Committee may forward their recommendation to the Fire Chief and Union President to resolve. Within thirty (30) days

the Fire Chief and Union President shall resolve the matter or forward it on to the Board of Public Safety with their recommendations. The Board of Public Safety shall consider the matter at its next regularly scheduled meeting.

The parties recognize and acknowledge that the Board of Public Safety does not have fiscal appropriation powers.

ARTICLE XX. Non-Discrimination

The parties hereto agree that they shall not discriminate against any person because of his or her race, color, sex (including pregnancy, gender identity, and sexual orientation), disability, religion, age, political affiliation, military service, genetic information, national origin, familial status or ancestry, or any other legally protected classification.

The parties further acknowledge their continuing responsibility affirmatively to seek equal employment practices under the City of Bloomington's Affirmative Action Plan, whereby all employees will be given equal opportunity to be employed in positions which provide the greatest opportunity for use of their skill, ability and experience.

ARTICLE XXI. Personnel Issues and Service Records

Inspection of documents contained in an employee's personnel file shall be in accordance with state law. Each employee shall be given a copy of all additions to their file at the time such additions are made or in a reasonable time thereafter.

Employees are welcome to bring concerns regarding fellow employees and management to Human Resources, but are encouraged to follow the chain of command first. Human Resources and the Legal Department will work in conjunction with the Chief

or the Board of Public Safety to make sure that the concern is addressed. Employee relations issues that may lead to progressive disciplinary steps should be addressed in consultation with Legal and HR. Complaints determined to be unfounded or those in which the employee was found not to be involved or is exonerated will not be placed in the employee's personnel file. Sustained complaints will be retained in accordance with state law.

The Board of Public Safety or its legal equivalent may, as allowed under Indiana law, take disciplinary action at any time in consultation with Legal and HR. Any adverse personnel action taken by the Chief or another supervisor in the Department may not be considered by the Department beyond three (3) years from the date of the adverse personnel action.

ARTICLE XXII. Grievance Procedure

Any dispute between the parties arising out of the meaning, interpretation or application of this Agreement shall be resolved in conformity with the following procedures.

The term "work days" as used in this Article shall mean the days Monday through Friday inclusive and excludes Saturdays, Sundays, and holidays on which City Hall is closed.

1. An aggrieved firefighter shall notify the Battalion Chief, in writing, of a concern or complaint within five (5) working days of its occurrence. The Battalion Chief shall attempt to resolve the matter with the firefighter and firefighter's captain, and shall provide a written response within ten (10) working days of receipt. If the matter is not satisfactorily resolved at this level, then the aggrieved officer may proceed to Step Two of this Procedure by initiating a grievance.

2. Any matter not resolved at Step One of this Procedure may be presented, in writing, to the Union Grievance Committee within ten (10) working days of the response of the Battalion Chief. The Union Grievance Committee shall determine if a grievance exists. The Union Grievance Committee shall consist of the three (3) shift stewards and any two (2) Executive Board members. If any member of the committee is involved in the grievance, they shall be replaced by one of the remaining executive board members. Any remaining Executive Board Member shall replace any member of the Committee that is on vacation, city day, or sick leave.

After the Union Grievance Committee has met, and decides that a grievance does exist, the Union shall within ten (10) working days, with or without the aggrieved person or persons in the bargaining unit, present the grievance in writing to the Chief of the Fire Department or their designee.

3. Any grievance forwarded under Step Two of this Procedure shall be presented by the Union Grievance Committee, in writing, to the Chief within ten (10) working days. The Chief shall serve a written response upon the President of the Union within ten (10) working days of receipt.
4. Within ten (10) working days of receipt of the Chief's written response to Step Three, the Union Grievance Committee shall determine whether the grievance shall proceed to Step 4, the Board of Public Safety. Notification shall be made in writing to the Secretary of the Board. The Board shall hear the grievance at the next regularly scheduled meeting to occur at least seven (7) working days after receipt. The parties recognize and acknowledged that the Board of Public Safety does not have fiscal appropriation powers.
5. In the event that a grievance is not resolved in Step Four of this Procedure, it may be submitted to non-binding advisory arbitration by the giving of written notice by one party to the other within ten (10) working days of the response of the Board of Public Safety. If such notice is given, the parties shall jointly request the American Arbitration Association to appoint an impartial arbitrator pursuant to its rules. The arbitrator may interpret this Agreement and apply it to the particular issue presented, but shall have no authority to add to, subtract from or in any way modify the terms of this Agreement or any agreement made supplementary hereto. The arbitrator shall, in any case upon which there is power to rule under the provisions of this Agreement, hold hearings upon the issue, make such investigations as deemed necessary and proper to a decision and shall render a decision, in writing, within a reasonable time. The expenses and fees of the arbitrator shall be borne equally by the City and the Union.

ARTICLE XXIII. Interdepartmental Transfer

The City of Bloomington values the public service provided by employees. Transfer from the Fire Department to a civilian position or the Police Department shall be as follows:

Any accumulated vacation time shall be taken before transfer from the department or paid to the employee.

The employee will receive and accumulate vacation days based on the employee's respective of years of service, as applied to the Fire Department's vacation matrix. In the case of a transfer from the Police Department, they would also retain their longevity based on years of service. As an example, if the employee has 20 years of service with the Fire Department, he or she will receive the same number of vacation days as an employee with 20 years of service with the Police Department or Civil City.

If the transfer is to the Police Department, no vacation time shall be taken in the first year of service. If the transfer is to a civilian position, no vacation time may be taken during probation or the applicable period for the new position.

The employee shall enjoy the same rights as any new employee on probationary status upon transferring to a new position.

The employee shall receive no other benefit from transfer (including, but not limited to training steps) and must start at the entry level step required for all new employees. The provisions of this Article are also intended to apply equivalently to transfers to the Bloomington Fire Department. Any transfer to the Bloomington Fire Department shall require both compliance with all hiring criteria and successful completion of the

probationary period. The sole benefit of inter-departmental transfer shall be eligibility for additional vacation days.

The parties acknowledge that during the negotiations that preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any bargainable subject or matter, as defined by Bloomington Municipal Code §2.34, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Negotiations for future contracts will begin in the spring of the last year of this Contract intended to result in a new agreement approved by both parties by July 1st of the last year of the contract. In the event that a new agreement is not reached before July 1st of 2026, then the terms and provisions of the Agreement shall nonetheless remain in full force and effect until an agreement on a new contract is reached; provided, however, the terms

and the conditions of the agreement shall not be extended for more than one year from the expiration of this Agreement.
