(a) The city may issue a limited number of annual parking leases. The annual lease grants parking privileges for a particular parking space in one specific municipal lot. The number of spaces set aside for annual leases shall not exceed twenty-five percent (25%) of the available spaces in each lot, except in Lot 2 and Lot 7. There shall be two rates for the leases. One rate shall be for leases in effect Monday through Friday between the hours of six a.m. and seven p.m. (13/5) and the other rate shall be for leases in effect Sunday through Saturday, twenty-four hours per day (24/7). The charges for such annual parking leases shall be as designated in Schedule V.

SIGNED and APPROVED by me upon this 22<sup>nd</sup> day of December, 2000.

## SYNOPSIS

This ordinance adjusts rates for permits and leases for all municipal lots and garages, and creates two kinds of leases: one for twenty-four hours a day, seven days a week, and another for 12 hours a day, five days a week. It raises the fines for someone parking in a leased space without the proper permit. It also creates "meter-only" zones in municipal garages. And, lastly it codifies the new garage at 7<sup>th</sup> and Walnut and reflects other changes in municipal parking configurations.

*Note: On December 20, 2000 the Council adopted Am 03, by a vote of 6 – 1, which amended Sections 3 and 4 by converting the 12/5 lease to a 13/5 lease (authorizing exclusive parking from six a.m. to seven a.m. on weekdays) and lowering the price for the 24/7 lease from \$730 to \$540.*
