## **SECTION 10. TERMINATION.**

10.1 By Mutual Agreement. This Agreement may be terminated at any time prior to the Closing by the mutual written consent of the Seller and the Purchaser.

10.2 By Reason of the Failure of Conditions Precedent. Unless otherwise mutually agreed by the Purchaser and the Seller, this Agreement shall terminate in the event (a) any of the conditions set forth in Section 7 are not satisfied or waived on or before October 1, 1999, or (b) any of the easements, licenses, leases, contracts or other agreements contemplated by Section 6.1(e) of this Agreement are not assigned, acquired or provided to Purchaser's satisfaction.

10.3 By Reason of the Failure To Timely Close. This Agreement may be terminated by either the Purchaser or the Seller on written notice to the other in the event the Closing Date shall not have occurred on or before forty-five (45) days after the transaction is approved by the Indiana Utility Regulatory Commission, provided the terminating party is not then in default in the performance of its obligations hereunder.

10.4 By Reason of Default. This Agreement may be terminated by the Purchaser or the Seller if the other defaults in a material way in the due and timely performance of any of its covenants or agreements under this Agreement or the terminating party discovers that any representation or warranty made by the other was, on the date of this Agreement or at any time thereafter prior to the Closing, inaccurate or untrue in any material respect; provided, the terminating party shall first give written notice, in the manner provided in Section 11, of its intention to terminate this Agreement, which notice shall specify with particularity the default or defaults upon which the notice is based. In the event that Purchaser or Seller shall, without legal cause, fail or refuse to consummate the transactions contemplated hereby in accordance with the terms and conditions, provisions, representations and warranties hereof, then, in addition to the right of termination provided in Section 10.5, the other party shall have all rights and remedies available at law or in equity including, in the case of the Purchaser, the maintenance of a suit for specific performance. With respect to any such suit for specific performance, the parties hereby agree that the Assets and the rights of the Purchaser herein are unique, and, upon default by the Seller under this Agreement, it would be extremely impracticable to measure the resulting damages to the Purchaser.
