Employees who transfer to a pay grade below their current pay grade shall be paid at the relevant grade and step for the new position.

Employees whose present rate of pay is higher than indicated by the Step Charts, based on the employee's pay grade and longevity, will not receive a pay cut, but will not receive any increase due to longevity until the step chart for the year in question shows an amount greater than the employee's current wage rate plus any across-the-board increase for the year in question.
