TO DESIGNATE AN ECONOMIC REVITALIZATION AREA

**Re: 305 North Curry Pike
(PTS Corporation, Petitioner)**

WHEREAS, PTS Corporation ("Petitioner") has filed an application for designation of the property located at 305 North Curry Pike as an "Economic Revitalization Area" ("ERA") pursuant to IC 6.1.1-12.1 et. seq.; and

WHEREAS, Petitioner intends to purchase and install new manufacturing equipment to support its business expansion and wishes to obtain tax abatement on the new equipment; and

WHEREAS, the application has been reviewed by the Economic Development Commission, which passed Resolution 99-01 recommending that the Common Council approve the "Economic Revitalization Area" designation for said property to provide a five-year tax abatement on the new equipment and to approve the new Statement of Benefits; and

WHEREAS, the Common Council has investigated the area and reviewed the Statement of Benefits and application, which are attached hereto and made a part hereof, and found the following:

- A. the estimate of the cost of the Project is reasonable for one of that type or nature;
- B. the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the Project;
- C. the estimate of the annual salaries of these individuals who will be employed or whose employment will be retained can be reasonably expected to result from the Project;

- E. the totality of the benefits is sufficient to justify the deduction; and

WHEREAS, the property described above is within the corporate limits of the City and has become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent normal development of property or use of property;

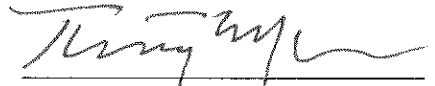

NOW THEREFORE, BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, MONROE COUNTY, INDIANA THAT:

1. The Common Council finds and determines that the area described as 305 North Curry Pike should be designated as an "Economic revitalization Area" as set forth in IC 6-1.1-12.1-1 et. seq.; and the Common Council further finds and determines that the Petitioner shall be entitled to a deduction from the assessed value of the Project for a period of five (5) years.
2. In granting this deduction, the Council also expressly exercises the power set forth in IC 6-1.1-12.1-2 (I)(5) to impose additional, reasonable conditions on the rehabilitation or redevelopment beyond those listed in the Statement of Benefits. Failure

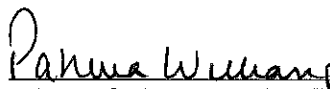

of the property owner to make reasonable efforts to comply with these conditions are reasons for the Council to rescind this designation and deduction:

- a. the improvements described in the application shall be commenced (defined as begin installing equipment) within twelve months of the date of this designation; and
- b. the land and improvements shall be developed and used in a manner that complies with local code.

SYNOPSIS

PTS Corporation has filed an application for designation of the property located at 305 North Curry Pike as an "Economic Revitalization Area" to allow approval of a five-year tax abatement for the purchase and installation of new manufacturing equipment. Indiana law provides that in an area designated by the Common Council as an "Economic Revitalization Area," property taxes may be abated on the purchase and installation of new manufacturing equipment for a period of five or ten years. This resolution provides that the owners of the property shall be entitled to a deduction for a period of five (5) years. It is the first of two resolutions that must be adopted by the Council before this tax abatement may take effect.
