SYNOPSIS

This resolution approves conveyance of the Maplefoot parking lot site by quitclaim deed to Wonderlab, for purposes of establishing a permanent WonderLab facility on the site. The resolution effects the council's intent, expressed in prior Resolution 97-04, to approve this conveyance if WonderLab met the conditions of the prior resolution; namely, meeting a fundraising goal of \$750,000 or one-half the projected construction costs; and submitting an acceptable business plan for the facility. This resolution recites that both conditions were met in a timely manner and that the deed reflects appropriate protections of the City's interests, in the form of reverter provisions should WonderLab cease to operate, and reservation of the City's right to continue the current use of the site for public parking until WonderLab breaks ground on or before October 1, 2000.
