SYNOPSIS

This ordinance designates a parcel owned by Big O Properties LLC and known as 338 S. Walnut Street as an Economic Development Target Area (EDTA). This designation was recommended by the Economic Development Commission and will enable the proposed mixed use redevelopment project, which includes retail/commercial space and upper-story market-rate residential units, to be eligible for tax abatement. Final approval of the real estate property tax abatement for the project will also require the adoption of an initial and confirming resolution, which must designate the lot as an Economic Revitalization Area (ERA), approve the statement of benefits, and authorize periods of abatement and a schedule of deduction.

Note: This ordinance was amended by the Council on February 18, 2015 with the adoption of Am 01 which reflected the action of the Economic Development Commission in January 2015 and made other minor changes and corrections.
