SIGNED AND APPROVED by me upon this 20 day of February, 1997.

JOHN FERNANDEZ, Mayor
City of Bloomington

SYNOPSIS

This ordinance amends provisions in the BMC regarding the City's Boards and Commissions in order to reflect the transfer of the "two-mile fringe" from the City to the County. It states, as a general rule, that members of our boards and commissions must reside in the City or the Areas Intended for Annexation by the City, except where directed otherwise by state law or city ordinance, or where the appointee serves by virtue of their status as an employee. Since the Electrical Examination and Registration Board is now within the County's authority, it has been removed from the code. And, the enabling legislation for the Historic Preservation Commission and the Tree Commission are moved from Title 8 and Title 12 into Title 2. The ordinance also makes minor amendments regarding the qualifications and appointing authority for boards and commissions due to changes in state law and other circumstances.
