

Passed: 9-0

RESOLUTION 97-01

**TO APPROVE AN INTERLOCAL COOPERATION AGREEMENT
REGARDING THE USE OF REAL ESTATE BETWEEN THE
MONROE COUNTY COMMUNITY SCHOOL CORPORATION AND
THE CITY OF BLOOMINGTON**

WHEREAS, Indiana Code § 36-1-7-1, *et seq.*, allows local governmental units to make the most efficient use of their powers by enabling them to contract with other governmental units for the provision of services and facilities to the public; and

WHEREAS, the City of Bloomington owns approximately 42 acres of Park Land that adjoins a parcel of approximately 15 acres owned by the Monroe County Community School Corporation (MCCSC) upon which MCCSC intends to build a school; and

WHEREAS, the City and MCCSC plan to develop the real estate so that the school and parks purposes and uses complement each other and are used mutually, cooperatively and jointly, and agree that cooperative use of the sites will enhance each site and serve the public interest and welfare; and

WHEREAS, the City, through its Board of Parks Commissioners, and MCCSC, through its School Board, have agreed to the terms and conditions of their cooperative agreement through an "Interlocal Cooperation Agreement Regarding the Use of Real Estate;"

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, INDIANA THAT:

The Interlocal Cooperation Agreement regarding the use of real estate between the Monroe County Community School Corporation and the City of Bloomington attached hereto be approved.

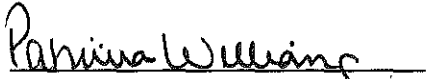

PASSED AND ADOPTED by the Common Council of the City of Bloomington, Monroe County, Indiana, upon this 19th day of February, 1997.

ANTHONY PIZZO, President
Bloomington Common Council

SIGNED AND APPROVED by me upon this 20 day of February, 1997.

JOHN FERNANDEZ, Mayor
City of Bloomington

ATTEST:

PATRICIA WILLIAMS, Clerk
City of Bloomington

SYNOPSIS

This resolution approves the Interlocal Cooperation Agreement between the Monroe County Community Schools and the City of Bloomington in regard to the cooperative use of real estate owned by both parties in the southeast quadrant of Bloomington, intended for middle school and park purposes.

INTERLOCAL AGREEMENT REGARDING USE OF REAL ESTATE

THIS AGREEMENT, dated this 22nd day of January, 1997, and entered into by and between the MONROE COUNTY COMMUNITY SCHOOL CORPORATION ("MCCSC") and the CITY OF BLOOMINGTON, through its BOARD OF PARK COMMISSIONERS ("Parks"), WITNESSETH:

WHEREAS, Indiana Code 36-1-7-1, *et seq.*, allows local governmental units to make the most efficient use of their powers by enabling them to contract with other governmental units for the provision of services and facilities to the public; and

WHEREAS, Parks owns real estate containing approximately 42 acres, described in Exhibit "A" attached hereto and incorporated herein by reference ("Park Site"), that adjoins a parcel of real estate containing approximately 15 acres owned by MCCSC, described in Exhibit "B", attached hereto and incorporated herein by reference ("School Site"); and

WHEREAS, the parties wish to develop the School Site and Park Site so that the sites complement each other and are used mutually, cooperatively and jointly, and agree that cooperative use of the sites will enhance each site and serve the public interest and welfare; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein, MCCSC and Parks agree as follows:

1. **Facilities.** Subject to obtaining the necessary state and local approvals, MCCSC intends to construct a new middle school on the School Site. This construction will include development of those indoor and outdoor recreational facilities (hereinafter referred to as MCCSC recreational facilities) that are normally developed as part of a middle school complex, including a gymnasium, locker rooms, auditorium, and cafeteria.

Parks will develop outdoor recreational facilities (hereinafter "Parks recreational facilities") on the park site, including two lighted multi-purpose fields. The two fields will be

completed, except for lighting, by the fall of 1998; lighting will be completed by fall of 1999. Each party's recreational facilities shall be designed and located so as to complement and be compatible with the other party's proposed uses of its site, and the parties shall cooperate in determining the design of their recreational facilities, their location in relation to the other party's site, and access plans for community use of the other party's recreational facilities under its programs or services.

2. **Utilities.** MCCSC shall be responsible for seventy-five percent (75%) and Parks shall be responsible for twenty-five percent (25%) of the total cost of providing sewer and water to both the MCCSC and Parks sites. MCCSC shall be responsible for constructing the necessary facilities as required by City of Bloomington Utilities to provide sewer and water to the Park Site and School Site in the course of developing and constructing the middle school and to enable the Park Site to connect to the sewer and water line.

3. **Road and Pedestrian Access.** In the course of developing the School Site and the Park Site, it will be necessary for new roads and pedestrian improvements to be constructed. MCCSC agrees to build to City specifications all required roads and pedestrian sidewalks for access to the School Site from Rhorer Road, as provided in the Agreement to Condition of Approval entered into between MCCSC and the City of Bloomington in connection with Plan Commission Case #DP-51-95. Parks shall build a pedestrian walkway from north of the Park Site to the school, to be completed by the fall of 1998. Parks also agrees to build a bicycle path on the seven acre parcel of park property south of the new Sare Road as noted in Plan Commission Case #DP-51-95 and shall build a secondary vehicle access from north of the Park Site to the vicinity of the middle school as part of future park development. Any future internal circulation roads and

pedestrian access provided in the Park Site shall be determined and built solely by Parks.

4. **Parking Lot.** MCCSC shall build all parking necessary for School and may be allowed to use Parks' property upon request.

5. **Joint Use.** The parties mutually agree and acknowledge that MCCSC shall have first priority for use of school property and that Parks shall have first priority for use of parks property, and that each party shall be afforded the first opportunity to use the property of the other when not being used by the owner.

Consistent with the joint understanding of priority, the parties agree that to coordinate scheduling for use of the recreational facilities, a joint use committee consisting of the Principal of the middle school and a designated Parks representative shall meet in the months of August, November and February and as otherwise needed, to schedule the recreational facilities use. Each party will submit to the other a tentative schedule of its proposed uses of the other's recreational facilities prior to July 1 of each year for the following academic year. The owners may allow others to use the recreational facilities consistent with this Agreement.

Each party's use of the other party's recreational facilities as provided herein shall be without cost, except that the party using the facilities shall reimburse the owner of the facilities for any additional direct costs of maintenance services or other expenses resulting from its use of the facilities.

6. **Pool and Community Center.** Parks is contemplating the design of a swimming pool ("Pool") and community center ("Center") and it is understood and agreed by MCCSC that Parks will be allowed to lease any necessary ground or MCCSC property on the School Site for Pool and/or Center at a cost of \$1 annually, subject to design and lease approval by MCCSC, for

a period of fifty (50) years.

7. **Overhead, Maintenance and Supervision: No Assignment.** MCCSC shall own and maintain the MCCSC recreational facilities and Parks shall own and maintain the Park recreational facilities. Each party shall be responsible for paying for any damages occurring during the use of the other party's facilities. Each party shall report to the other, in writing, within twenty-four (24) hours of its occurrence, any incident in which injury to person or property occurs during use of the other party's facilities. The party using the facilities shall provide adequate supervision of the facilities and persons using them, and shall clean and restore the facilities to their prior condition after each use, normal wear and tear excepted. The right of Parks to use MCCSC recreational facilities and the right of MCCSC to use Parks recreational facilities may not be assigned or subcontracted to any other individual or organization without the approval of the owner of the facilities.

8. **Keys.** Should Parks build the Pool and Center, MCCSC agrees to check out keys to Parks for MCCSC recreational facilities for the express purpose of granting supervised recreational users access to MCCSC recreational facilities during times when MCCSC staff is unavailable. Parks agrees to check out keys to MCCSC for Pool, Center, and Parks recreational facilities for the express purpose of granting students supervised access to Pool, Center, and recreational facilities during times when Parks staff is unavailable.

9. **Indemnity.** MCCSC and Parks shall indemnify and hold harmless each other for any liability, damage or injury arising from their use of the other party's recreational facilities except for damages or injuries resulting from the negligence of the owner of the facilities. MCCSC and Parks shall provide each other with adequate proof of insurance or other acceptable assurances

to cover their obligations under this Agreement.

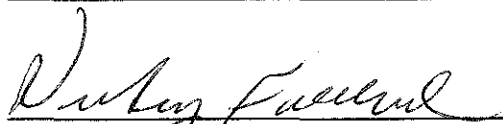

10. **Administration of Agreement by Joint Board.** A joint board consisting of the MCCSC Superintendent, the Parks Administrator, the principal of the new middle school, and a Division Director from Parks, or such parties' designees, shall be responsible for implementing this agreement and resolving any conflicts that may arise hereunder. In the event that the Joint Board is unable to resolve a dispute then the parties agree that they will seek guidance in resolving the disagreement from the School Board and Parks Board.

11. **Duration; Method of Termination.** This Agreement shall take effect upon approval of both parties. The agreement may be terminated by either party provided that ninety (90) days advance written notice of termination is provided and citing the reasons for the desire to terminate.

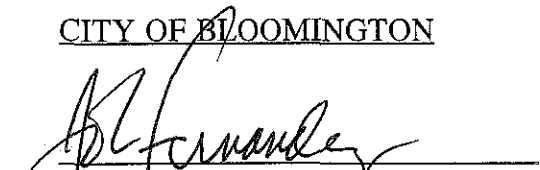

12. **Staffing; Property.** The parties shall provide staffing for purposes of this Agreement as determined by the joint board. The parties do not intend to acquire real or personal property jointly pursuant to this Agreement. Provided, however, in the event that either party decides to dispose of all or a part of its real property, then the other party shall have the first option to purchase said real estate in accordance with the applicable provisions of Indiana Code, including but not limited to 36-1-10.5-1, 36-1-11-1, and 36-10-4-1 *et seq.*

EXECUTED the day and year first written above.
