

Resolution 97-09

**To Give Consent for the Town of Ellettsville
to Annex Property within Three (3) Miles
of the Corporate Boundaries of the City of Bloomington**

WHEREAS, the Town of Ellettsville desires to annex properties east of its corporate limits; and some of these properties are in an area located within three (3) miles of the corporate boundaries of the City of Bloomington; and

WHEREAS, I.C. 36-4-3-9 requires the Town of Ellettsville to obtain the consent of the Common Council of the City of Bloomington before annexing territory within three (3) miles of the corporate boundaries of the City; and

WHEREAS, representatives from the City of Bloomington, the Town of Ellettsville and Monroe County have considered this request in light of long range planning objectives and have concluded that it presents an excellent opportunity to define, coordinate and implement land use and development strategies for the area;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, MONROE COUNTY, INDIANA, THAT:

No parcel may be moved from one area to the other by aggregation after the effective date of this document.

Section 3. Prior to the Town of Ellettsville seeking consent for the annexation of Phase Two the following conditions shall be met:

- A. Ellettsville shall adopt an access control plan for the entirety of the future SR 46 alignment through the town and to the eastern edge of Phase Two. This access control plan shall limit by mutual agreement the maximum eventual number of drive cuts, the minimum spacing of drive cuts, and provisions for joint use drives and cross access drives to minimize drive cuts; and
- B. Ellettsville and, where necessary, Monroe County shall adopt a comprehensive plan, zoning designations, and land development regulations for areas extending to the eastern edge of Phase Two that achieve the following goals: minimize sprawl between the two cities; preserve the existing rural character while accommodating development of appropriate density; maximize open space and encourage clustering; preserve existing tree lines along SR 46 to serve as buffers between the road and development; prevent a strip pattern of development from occurring along SR 46; and, provide a sense of separation and transition between these two jurisdictions by requiring rural or lower densities away from their urban cores; and
- C. Ellettsville shall improve their capacity for planning by retaining the services of a professional planner for an equivalent of at least 16 hours per week; and
- D. Ellettsville shall gather land use and planning data consistent with what is already collected by the City and Monroe County and provide this data in a manner that is compatible with the Geographic Information System program used by the City and Monroe County; and

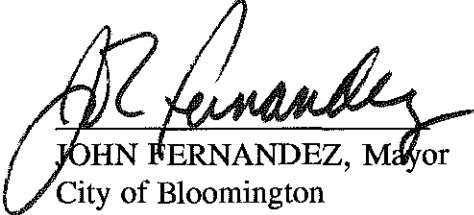

Section 4. In order to foster intergovernmental coordination of long range planning, the City agrees to request that the Metropolitan Planning Organization evaluate the fiscal consequences of extending the Bloomington Area Transportation Study to include the Town of Ellettsville.

Section 5. The Director of the City Planning Department and the City Plan Commission shall review the above actions and make recommendations to the Council regarding whether or not the above conditions have been satisfied and whether consent for the annexation of Phase Two serves the best long term planning interests of the City.

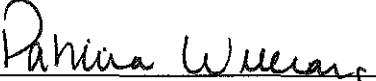

PASSED and ADOPTED by the Common Council of the City of Bloomington, Monroe County, Indiana, upon this 6th day of August, 1997.

ANTHONY PIZZO, President
Bloomington Common Council

SIGNED and APPROVED by me upon this 8 day of August, 1997.
