#### SYNOPSIS

This ordinance comes forward from the Plan Commission without recommendation. It would rezone 1.35 acres of land at 1421 West 6th Street from RS4.5 to a Planned Unit Development and approve one of two alternate Preliminary Plans. The PUD has three parcels: Parcel A includes a 5 unit building intended for individuals who are terminally ill with the HIV virus; Parcel B includes an 8 unit building intended for people with emotional disabilities; and, Parcel C includes a set of alternatives for affordable housing. The Council must choose between Alternative A, which proposes 12 unit townhouses, and Alternative B, which proposes a 5 lot single family development.
