SYNOPSIS

This ordinance adds several municipally-run parking lots that are located near the new Showers Center. It deletes the public employee parking located next to the Old City Hall at 220 East Third Street, and adds a lot for that purpose at the Showers City Hall. It also reassigns some parking enforcement duties from the Controller's office to the Parking Enforcement Division. In addition, this ordinance makes several changes to the Bloomington Municipal Code regarding stop intersections, signalized intersections, angle parking, no parking zones, limited parking zones, loading zones, official vehicle zones, handicapped parking and public employee parking.
