AND THE BLOOMINGTON FIREFIGHTERS ASSOCIATION INC.**

ARTICLE I. Terms and Conditions of Agreement

This Agreement between the parties constitutes a four (4) year settlement of all bargainable issues, as defined in Bloomington Municipal §2.34, and following, for calendar years 1997, 1998, 1999, and 2000. It is understood and expressly agreed by the parties that all terms and conditions in this Agreement are contingent on and subject to the following conditions:

- (1) Receipt in each and every year of the Agreement (1997, 1998, 1999, 2000) by the City of Bloomington of no less than six hundred thousand dollars (\$600,000.00) from the Utility Department of the City of Bloomington in satisfaction of what is commonly known as the "Franchise Agreement."
- (2) The City of Bloomington being legally authorized in each and every year of the Agreement (1997, 1998, 1999, 2000) to increase its ad valorem property tax by no less than five percent (5%) more than its ad valorem property tax levy in the preceding year (1996, 1997, 1998, 1999) as provided for and defined in Ind. §6-1.1-18.5-1 et seq. entitled "Civil Government Property Tax Controls." The City shall not be required to petition for financial relief as provided for and defined in the above-cited chapter as a prerequisite to showing its inability to increase its ad valorem property tax levies in the above-stated amounts.
- (3) Receipt in each and every year of the Agreement (1997, 1998, 1999, 2000) by the City of Bloomington of no less than four million five hundred thousand dollars (\$4,500,000.00) as county option income tax distribution as provided for and defined in Ind. §6-3.5-6-1 et seq. entitled "County Option Income Tax."
- (4) Any and all changes in State and/or Federal law, policies, procedures, or regulations which have a fiscal impact upon the City of Bloomington shall be fully funded by the source from which such change originates.

In the event that any of the above-stated conditions do not occur, then it is specifically understood and agreed by the parties that the City may declare this Agreement open with respect to the salary rates provided in Article IV for all subsequent years covered by this Agreement. The City shall inform the Unit of such declaration in writing. In the event of such declaration by the City, the parties shall immediately as practicable begin new negotiations on the subject of said salary rates only, pursuant to Bloomington Municipal §2.34, and following.

In the event that Bloomington Municipal §2.34.010 "Recognition" is amended to recognize the Professional Firefighters Union of Indiana in lieu of the Bloomington Firefighters Association, Inc., then it is specifically understood and agreed by the parties that all terms and conditions of employment as agreed to in this Agreement shall remain in effect throughout the years covered in this Agreement.

In the event that Bloomington Municipal §2.34.040, "Issues Subject to Bargaining" is amended, then it is specifically understood and agreed by the parties that either party may declare this Agreement open with respect to said added issue (or issues) for all subsequent years covered by this Agreement.
